A RESOLUTION
NO. 2003-36-32

SUPPORTING THE BEXAR COUNTY COMMISSIONERS COURT SUBMISSION OF A PETITION TO THE TEXAS TRANSPORTATION COMMISSION REQUESTING AUTHORIZATION TO FORM A REGIONAL MOBILITY AUTHORITY FOR THE SAN ANTONIO METROPOLITAN AREA; AS REQUESTED BY COUNCILMAN CARROLL W. SCHUBERT, DISTRICT 9.

***

Councilman Perez made a motion to approve the proposed Resolution. Councilman Haass seconded the motion.

Mr. Tom Wendorf, Director of Public Works Department, narrated a presentation on the Regional Mobility Authority. A copy of this presentation is on file with these papers.

Mr. Wendorf explained the resolution supports the Bexar County Commissioners’ Court petition to the Texas Transportation Commission (TTC) requesting authorization to form a Regional Mobility Authority (RMAs) for the San Antonio metropolitan area. He described RMAs operating much like existing toll authorities that build, operate and maintain newly created toll projects. Mr. Wendorf noted that RMAs provide a new financing tool that allows counties and municipalities to construct, maintain and operate a turnpike project as part of the state highway system. He further noted the process in creating an RMA, and the benefits derived thereof. Mr. Wendorf highlighted eligible projects that would best be served by an RMA. He expounded on the background
information that began on December 19, 2002 when TTC authorized $10 million in Strategic Priority funds to fund toll road feasibility studies on candidate highways.

Councilman Schubert noted a minor change in the resolution presented.

In response to Councilman Schubert, Mr. Wendorf stated that six RMA board members are appointed by the Bexar County Commissioners Court and one is appointed by the Governor. He noted that the City will have input in the appointment of the commissioners. He further noted this project is an important, on-going interaction between the City of San Antonio, Bexar County Commissioner’s Court and the RMA.

Discussion ensued between Mr. Wendorf and Councilman Schubert regarding state funding opportunities for this particular type of transportation project.

Councilman Schubert requested his colleagues to support this resolution. In response to Councilman Hall, Mr. Wendorf stated this resolution is not an endorsement of road tolls, but rather it sets up an RMA Board that can begin studying different venues for the kind of transportation solutions best suited for the San Antonio region.
