
The San Antonio City Council convened in a Work Session at 3:00 pm Wednesday, October 31, 2007, Municipal Plaza Building with the following Councilmembers present: Cisneros, Cortez, Galvan, Herrera, Rodriguez, Cibrian, Wolff, Clamp, and Mayor Hardberger. ABSENT: McNeil and Gutierrez.

1. A BRIEFING ON THE STATUS OF A PERFORMING ARTS CENTER AND RECOMMENDATIONS BY CITY STAFF FOR ITS LOCATION.

Mr. Mike Sawaya, Convention, Sports, and Entertainment Facilities Director, presented information on three possible locations for the Bexar County Performing Arts Center. The Lila Cockrell Theatre opened in 1968 and was designed as a high-quality venue for ballet, symphony, and drama. In 2006, the theatre was used for fifty events, most of which were related to convention activity. Because the theatre plays an integral role in the Convention Center’s success, another facility would have to be built as a replacement. Mr. Sawaya noted that renovation of the Lila Cockrell Theatre would cost approximately $55 million. Other concerns with the theatre were the lack of nearby parking, busy location, and the time it would take to build a replacement venue.

The second location Mr. Sawaya discussed was HemisFair Park. The plat of 3.8 acres and is located at the corner of Durango and Alamo Streets. Mr. Sawaya spoke of four historic homes at the location which would have to be relocated at an approximate cost of $624,000. It was noted that this was staff’s last recommendation due to cost and relocation.

Mr. Sawaya then presented an overview of staff’s first choice, the Municipal Auditorium. The auditorium was built in 1926 as a memorial to World War I Veterans. In 1979, a fire completely gutted the interior and in 1985, the auditorium was renovated, modernized, and rededicated. He noted that the auditorium hosts eighty events per year, a few of which are convention related, and approximated the net operating cost at $500,000 per year. Along with Municipal Auditorium, the City offered the Fire Department Headquarters Building to be used as either office space or rehearsal space. Mr. Sawaya made comparisons to the Oklahoma City Civic Center Music Hall, also a “retrofitted” facility. He explained that while there were no restrictions on renaming Municipal Auditorium from a historic standpoint, the Oklahoma City Civic Center sold naming rights for performance spaces rather than the building. Mr. Sawaya concluded with terms and conditions for City Council to consider when drafting an agreement with the Bexar County Performing Arts Center Foundation and the Visitor Tax Committee Timeline.

Councilmember Galvan proposed the use of the Lone Star Brewery for the new Performing Arts Center. She noted that it was a vacant, attractive facility, with good elevation.

Councilmember Cisneros moved to adopt the recommendation of Municipal Auditorium as the preferred location for a Performing Arts Center with the option to look at the site proposed by Councilmember Galvan. Councilmember Clamp seconded the motion.
Councilmember Cibrian thanked Judge Nelson Wolff and the committee for their work. She voiced her support for Municipal Auditorium as the location for the Performing Arts Center and offered Councilmember Galvan assistance with developing District 5 and finding a use for the Brewery. Councilmember Clamp asked if it would be possible to reserve some dates at Municipal Auditorium for the City and to set a definite due date for the $500,000 subsidy. Councilmember Wolff noted that Memorial Park is in front of Municipal Auditorium. He stated his support for this location because the area was deteriorating and the project could reverse that trend.

Councilmember Rodriguez voiced his concern on voting without allowing citizen input. Councilmember Cortez seconded those concerns and raised issues with parking at Municipal Auditorium. Councilmember Herrera also addressed the importance of Memorial Park and questioned the City's ability to sustain a performing arts facility, noting that she had season tickets to the Symphony and the facility was sometimes only half full.

After due consideration, Councilmember Cisneros withdrew her motion. Councilmember Clamp withdrew his second. A Special Meeting to conclude discussion and vote on said item will be held Monday, November 5, 2007 at 1:30 pm.

There being no further discussion, Mayor Hardberger adjourned the meeting at 4:11 pm.

Councilmember Clamp asked that cost savings for reissuance of debt be quantified in the future.
Councilmember McNeil moved to adopt the proposed Ordinance. Councilmember Rodriguez seconded the motion.

The motion prevailed by the following vote: **AYES**: Cisneros, McNeil, Gutierrez, Cortez, Galvan, Herrera, Rodriguez, Cibrian, Wolff, Clamp, and Mayor Hardberger. **NAY**: None. **ABSENT**: None.
