COUNTY OF BEXAR
CITY OF SAN ANTONIO**

A REGULAR MEETING OF THE CITY COUNCIL OF THE CITY OF SAN ANTONIO WAS HELD IN THE COUNCIL CHAMBERS, MUNICIPAL PLAZA BUILDING, WEDNESDAY, NOVEMBER 28, 2007 AND THURSDAY, NOVEMBER 29, 2007.

The San Antonio City Council convened in a Work Session at 3:00 pm Wednesday, **November 28, 2007**, Municipal Plaza Building with the following Councilmembers present: Cisneros, McNeil, Gutierrez, Cortez, Galvan, Herrera, Cibrian, Wolff, Clamp, and Mayor Hardberger. **ABSENT:** Rodriguez.

1. PRESENTATION OF THE ANNUAL REPORT OF THE CITIZENS BOND OVERSIGHT COMMISSION WITH AN UPDATE ON THE EFFORTS OF THE COMMISSION FOR THE PAST YEAR AND A PROGRESS REPORT.

Mr. Terrell McCombs, Citizens Bond Oversight Commission (CBOC) Chairman, reported that the 2003 Bond would be substantially completed by December 31, 2007 and that past bonds had been brought up to date. He noted that the CBOC was created on September 11, 2003 and required by ordinance to provide annual reports to the City Council and Commissioners Court. He referred to the twenty members comprising the CBOC who reside in Bexar County. Mr. McCombs presented charts to the Council which mapped progress from the design phase, construction, and completion for Propositions One through Five. He outlined the CBOC 2007 Recommendations which include streamlining internal processes and implementing a Contracts Review Task Force. Mr. McCombs concluded his presentation by stating that the CBOC looks forward to supporting the City Manager's effort for a large bond election every five years in order to build new and maintain current infrastructure for San Antonio.

Mayor Hardberger congratulated the Citizen's Bond Oversight Commission for looking at the bond contracts and improving the process.

Mr. Mike Frisbie, Capital Improvements Management Services Department Director, presented an overview of the new approach to Capital Programs and the 2007-2012 Bond Program. The new approach includes fostering relationships with SAWS & CPS, implementing a Design Guidance Manual, Decreasing the number of Change Orders, Developing new Contract Documents, and Streamlining Procedures. He noted that reviewing utilities at the beginning of a project is crucial to keep costs low, but they are often overlooked. It was stated that the City would be the lead agency in the new plan and there will only be one contractor working on a project rather than several working around each other. Mr. Frisbie highlighted several current projects, noting the stages of development each were in. He concluded by presenting a tentative schedule for the 2007-2012 Bond Program. Ms. Sculley added that she plans to report to Council quarterly regarding the Bond Program Status. Several Councilmembers agreed that a monthly report would be in order at the beginning of the reporting.

Mayor Hardberger recessed the meeting at 3:55 pm to convene in Executive Session for the purposes of:

The City Clerk read the following Ordinance:

2007-11-29-1193

Item 8. AN ORDINANCE REPEALING ARTICLE XII (PARADES) AND ARTICLE XIII (RUN, WALK AND CYCLING EVENTS OF CHAPTER 19 OF THE CITY CODE, AND CREATING ARTICLE XVII (PARADES, RUNS, WALKS, AND RELATED EVENTS) AND ESTABLISHING CRIMINAL PENALTIES FOR VIOLATIONS OF ITS PROVISIONS.

Penny Postoak Ferguson, Assistant City Manager, provided background on the current Procession Ordinance noting that two permitting processes for parades and runs, walks, and cycling events exist. She stated that several events throughout the year include requests to waive certain costs. The Budget ordinance adopted in 2005 does not provide a process for waiving fees. She noted that the proposed ordinance would consolidate regulations on all events and would establish a requirement to obtain permits and to pay fees for permits, as well as public safety costs.

Ms. Ferguson stated that staff had met with stakeholders and held a public hearing on October 22, 2007. She noted that the City would cover the cost of the following: *Diez y Seis Parade, Martin Luther King March, Veterans Day Parade, Fiesta Parades and related events, and the Cesar Chavez March.* She outlined the permit fees, public safety costs, and permit applications and deadlines. She added that permit holders could receive a 13-month (prior to event) advance approval for events. She stated that although insurance was not required for "First Amendment Processions," it would be strongly encouraged. Additionally, "Non-First Amendment Processions" would continue to require insurance. She noted that the previous ordinance allowed an appeal for denial of a permit to the City Council. The proposed ordinance would allow an appeal to be made to the City Council, City Manager, or designee. Lastly, she stated that there would be a proposed penalty fine of \$500 for failure of organizers to obtain a permit or for violation of the public conduct portion of the ordinance.

Ms. Dee Villarrubia, 4003 Kendall, stated that she was thankful that the Council and Community were able to work together even if they had different views. She noted that she was not against parades, but did not like that some parades were given special treatment. She then referred to Mayor Maury Maverick, Sr. and Emma Tenayuca who were run out of San Antonio over a permit.

Ms. Fabiola Torralba, 139 Dannyolay, spoke of the first time she participated in the Women's Day March and the importance of speaking up for what one believes in. She stated that she favored an ordinance that was not biased toward one group over another.

Mr. David Plylar, 4218 Misty Glade, gave his time to Jamie Martinez who thanked Ms. Penny Postoak Ferguson for her work. He stated that he was trying to get everyone involved in the process to protect human rights because it was a struggle around the world. Mr. Martinez stated that he believed the City

was on the right track. He added that he did not need a permit for certain events and that as a minority it was important to organize to get the necessary attention.

Ms. Amanda Haas, 3223 Howard Street, noted the Council's desire to make San Antonio a "world class city." She spoke of the Women's Day Parade which began with a fire that killed many women in the 1880's. She then asked the Council why anyone would follow the ordinance and pay \$13,000 for a parade when they could just pay the \$500 penalty for not obtaining a permit. Ms. Haas suggested a cap on the costs.

Ms. Graciela Sanchez, representative from the International Woman's Day March, stated that their organization was not satisfied with the ordinance. She added that they felt that the City was not honoring first amendment rights and favored certain groups. She noted that the group sometimes walked on the sidewalks to avoid fees, but she did not think the City should not be able to charge them for walking in the streets according to the previous ordinance.

Ms. Tanya Garduno addressed the Council and noted that she was a representative for the Southwest Workers Union and the Free Speech Coalition. She stated that she was against the ordinance because it violated people's rights and showed favoritism.

Ms. Joleen Garcia, 321 Linares, stated that she had participated in discussions with City staff and that the ordinance restricts free speech and hurts people who cannot afford the permit.

Ms. Viola Casares, Fuerza Unida representative, addressed the Council noting her opposition to said item.

Ms. Barbara Gonzalez, 922 San Pedro Avenue, stated that words were more dangerous than bullets. She noted that her father and three brothers were veterans who opposed the war in Iraq.

Ms. Mia Kany, 922 San Pedro Avenue, noted that she was a representative for the Esperanza Center and the Free Speech Coalition and that she had attended most of the meetings with City staff. She added that she was a student and the costs to obtain a permit were out of most students' reach.

Mr. John Stanford, 2311 West Gramercy, stated that freedom was not absolute. He stated that the ordinance was an attack on people's rights and freedoms and that tax dollars should cover the costs of marches.

Mr. Antonio Diaz addressed the Council and stated that he was upset with the time that this item was being presented because it was unfair to people who had to work. He noted that he had gone to several meetings with City staff and that he was against the item because it would affect his constitutional rights.

Mrs. Vacek read written testimony from former Councilmember Patti Radle. Ms. Radle wrote that the ordinance was unfair to some groups because it made first amendment rights unaffordable to those without City backing or a large bank account. She recognized that marches were not the only way to exercise first amendment rights, but hoped that discussion would lead to an ordinance which would make marches affordable to all citizens.

Councilmember Rodriguez moved to approve the proposed ordinance with the stipulation that the City would be responsible for the first \$3,000 of event expenses, and that the organization be responsible for the following \$3,000 out-of-pocket event expenses, and that the City would be responsible for the balance. Councilmember Cortez seconded the motion.

The motion prevailed by the following vote: **AYES:** Cisneros, McNeil, Gutierrez, Galvan, Herrera, Rodriguez, Cibrian, Wolff, Clamp, and Mayor Hardberger. **NAY:** None. **ABSENT:** None.

CONSENT AGENDA: Items 9-52Q

Consent Agenda Items 13, 41, 42, 45, 49 and 52B were pulled for Individual Consideration. Councilmember Rodriguez moved to approve the remaining Consent Agenda Items. Councilmember Herrera seconded the motion.

Jack M. Finger spoke in opposition to Item 41 stating that all delegate agencies should be held to the 50% matching requirement.

The motion prevailed for the remaining consent items by the following vote: **AYES:** Cisneros, McNeil, Gutierrez, Cortez, Galvan, Herrera, Rodriguez, Cibrian, Wolff, Clamp, and Mayor Hardberger. **NAY:** None. **ABSENT:** None.

2007-11-29-1231

Item 45. AN ORDINANCE AMENDING THE SAN ANTONIO FIRE DEPARTMENT COMMISSARY CONTRACT WITH STERLING'S PUBLIC SAFETY, INC., TO ADD ADDITIONAL UNIFORM ITEMS FOR PURCHASE.

Councilmember Herrera inquired about price gouging and whether or not the inventory on this contract had been expanded. Chief Hitzfelder responded that the inventory had been expanded through the assistance of a commissary committee who helped identify items. Unfortunately, this caused issues with the availability of certain items. He provided the example of jackets that were not available from wholesalers which had to be purchased through retailers, thus leading to a higher cost. Chief Hitzfelder assured the Council that management was working closely with the committee members and the vendors to ensure that items were affordable and available.

Councilmember Herrera moved to adopt the proposed Ordinance. Councilmember Cisneros seconded the motion.

Ms. Aeriana Bozarth, 2414 Town Cliff Street, stated that she was a pet owner and trainer and she was opposed to the Chapter 5 revisions.
