Mr. Faris Hodge Jr. thanked Councilmembers Cibrian and Galvan for remembering him at Christmas time. He stated that CPS should replace street lights as soon as they burned out in the downtown area and noted the recent bust of 150 gang members. He expressed his support for Fiesta being relocated to the Alamodome for safety reasons and his concern with citizens having to pay for garbage pick up even when there were scheduled holidays. He spoke in opposition to fireworks being sold in the County which made their way into the City and that the City needed more firemen. He stated he was disappointed with the lack of notification on the closure of the Westside Community Center and with the new security at City Hall and Municipal Plaza.

Mr. Guadalupe Lopez thanked Councilmember Galvan for attending a meeting with the Mirasol Task Force. He stated that he did not think the Task Force would be able to help the Mirasol Homeowners, but trusted that the Councilmember could. He added that City Staff had conducted the home inspections but asked for additional assistance from the Council.

Ms. Petra Maldonaldo also thanked Councilmember Galvan and stated that more had been accomplished at the one meeting she had attended than all of the others put together. She noted that the Mayor had helped by appointing new board members to the San Antonio Housing Authority (SAHA).

Mr. George Alejos thanked Councilmember Galvan for attending the meeting and the Mayor for replacing several members of the SAHA Board. He noted his appreciation for Councilmember Cibrian’s assistance with preventing an individual from being evicted. He stated that he was hopeful and looked forward to working with the new board. Mr. Alejos noted that because he was a real
estate broker, many of the Mirasol Homeowners came to him for assistance. He stated he would compile all of their information and present the findings to the Council.

Ms. Henrietta DeHoyos also thanked Councilmember Galvan but reported she had requested her paperwork from SAHA over a year ago and had not received it. Ms. DeHoyos stated that when her Section 8 was taken away, she was charged $700 for construction she felt KB Homes should be held responsible for.

Ms. Janet Ahmad thanked Councilmember Galvan for her attendance at their meeting then introduced Ms. Rodriguez. Ms. Rodriguez requested that Mr. Alejos speak on her behalf. Mr. Alejos stated that Ms. Rodriguez had purchased her home in August, 2006 and had only discovered the buy-back program eight days ago. He expressed his belief that many others had been excluded from the buy-back program.
