1. STAFF BRIEFING ON THE FIVE-YEAR INFRASTRUCTURE MANAGEMENT PROGRAM THAT INCLUDES STREET MAINTENANCE, DRAINAGE MAINTENANCE, SIDEWALKS, TRAFFIC SIGNALS, AND ALLEY MAINTENANCE.

Mr. Majed Al-Ghafiry, Director of Public Works, presented the 2008-2012 Infrastructure Management Program (IMP) and noted that Alley Maintenance had been added to the list of incorporated programs. He spoke of the benefits of the IMP, including savings in soft-costs with multi-year contracts and, improved coordination in scheduling.

Mr. Al-Ghafiry addressed the Street Maintenance Program, noting that 99% of the 2006/2007 projects had been completed and 51% of the 2008/2009 in-house projects were complete. He noted that the factors used to select streets for this program were Pavement Condition Rating (PCR), Street Classification, Multi-Modal Component, and Service Requests. Mr. Al-Ghafiry reported that 65% of the Drainage Maintenance projects had been completed, as well as 36% of the 2008 Sidewalk projects. He stated that of the eleven Traffic Signals in various stages of the design process, six had been designed, and all signals would be completed and operational by September 30, 2008. He spoke of the Alley Maintenance Program and the criteria for selection. Lastly, he reviewed the various ways that the department would notify the community of their selection, location, and progress and concluded with an overview of the redesigned Public Works Website and its features.

Councilmember Cisneros asked if sidewalks near schools would be given priority and who would be contributing to the Traffic signals. Mr. Al-Ghafiry stated that, yes, schools would be given priority. He noted that Texas Department of Transportation would have three signals, the City would have three signals, and five signals would be contracted out. Councilmember Galvan asked of issues that come up in these types of projects that impacted the budget and emphasized the need to verify the work completed by contractors. Mr. Al-Ghafiry stated that issues would always appear in these types of projects, but that they would not impact the budget. He confirmed that quality control was a priority for the City.

Councilmember McNeil asked about increasing the liability insurance amount that contractors carry. Mr. Al-Ghafiry stated that an increase may deter contractors from bidding. Ms. Sculley suggested researching the average warranty period of other cities and their consequences.

Councilmember Rodriguez asked if there was a regional aspect to the selection of streets repaired and how difficult it would be to get a project moved up or included. Mr. Al-Ghafiry stated that the current year was locked in, but there was some flexibility to the following years of the program.
Councilmember Cibrian noted the need for a meeting regarding pavement conditions and sidewalks. She stated that she understood that poor conditions were partly a result of deferred maintenance and that the City needed to be proactive rather than reactive.

There being no further discussion, Mayor Hardberger adjourned the meeting at 4:30 pm.

**CEREMONIAL ITEMS**

Mayor Hardberger recognized Mr. Pat Frost, Chair of the San Antonio Local Organizing Committee, for the NCAA Division I Men’s Final Four Basketball Championship which will be held in San Antonio, Texas from April 4-7, 2008. He noted that San Antonio would become Hoop City and offer many events and activities for the entire family to enjoy.

Mayor Hardberger presented a proclamation to Mr. Ben Cantu for Records and Information Management Month (RIMM) which is celebrated during the month of April. It was noted that in an effort to increase the awareness of identity theft protection and promote the value of shredding and recycling, the RIMM Committee sponsored their Annual Shred Day on April 19, 2008, at all San Antonio Credit Unions.

Mayor Hardberger presented a proclamation in recognition of The Miss San Antonio Queen of Soul Pageant which will be held on April 5, 2008, at the Carver Community Cultural Center. This year marks the pageant’s 40th Anniversary and will be dedicated to the memory of Libby Barksdale who was the first Miss Queen of Soul.
Mr. Nazirite Ruben Flores Perez spoke on the book of Revelations in the Bible. He stated that Chapter 17 paralleled with things happening in Washington DC and San Antonio. He noted that he had scheduled meetings with religious groups in Washington for his next trip because there should only be one religion.

Mr. Mark Perez stated that Tetco operated several facilities in District 2 without Certificates of Occupancy. He noted that he had reported a chemical spill to the City, but staff did not have the proper training to be able to identify violations at the facility while investigating the spill. He asked how the facilities were able to obtain permits when they had underground storage tanks that were not inspected.

Mr. Faris Hodge, Jr. addressed the Council on issues regarding the Jett Road Zoning Case. He spoke against cell phone regulation in school zones. He also spoke of CPS and SAWS proposed rate increases, and the proposed nuclear power plant. He also noted the possibility of Commerce becoming a two-way street. He noted that the Race for the Cure was a success and added that some Police Officers used too much force and the FBI was conducting an investigation on them.

Mr. George Alejos referenced cost totals from the SAHA website. He reported that $7,751,242 was set aside for the Mirasol project and only $1,431,026 had been spent. He provided a break down of the expenses and noted that $209,859 went to services for operations director and staff for a three month period of time. He stated that 25% for project oversight was too much.

Ms. Janet Ahmad stated that it cost KB Homes $22,000 to build a Mirasol Home but the Express-News reported that SAHA purchased the homes for $112,000 each. She noted that SAHA had spent millions fixing problems with the homes and referenced seventeen homes which had been repaired at a cost of $48,100 per home. She stated that the new SAHA Board was doing a good job, but the residents needed to move out of their homes immediately.

Ms. Alicia Lazaro addressed the Council in Spanish. Mr. Alejos translated that Ms. Lazaro was to purchase a home in California valued at $500,000 but chose to move to San Antonio instead. She told her broker that she did not want a KB Home.

Ms. Sandra Ybarra stated that her son became ill from living in a KB Home and had to spend time on a breathing machine everyday. She noted that Mr. Alejos was given a list of apartments that she could move to, but none of them were vacant. She added that she had a deadline of February 2009 to spend her cash accumulation; otherwise, she would lose it and be placed on Section 8. She did not believe this deadline was fair because she lost her job due to her son’s illness. Mr. Alejos noted that that the new SAHA Board was doing good things because they had lowered Ms. Ybarra’s payments.

Mr. Guadalupe Lopez noted his appreciation for the new SAHA Board, specifically Mr. Ramiro Cavazos. He stated that the Task Force needed to be dismantled and that those who were elected to represent the residents had done nothing. Lastly, he asked why the Mirasol Residents were not allowed to move into the new homes that SAHA was selling.
ADJOURNMENT

There being no further business to discuss, Mayor Hardberger adjourned the meeting at 6:33 pm.
