STATE OF TEXAS  
COUNTY OF BEXAR  
CITY OF SAN ANTONIO  

The San Antonio City Council convened in a Work Session at 2:00 pm Wednesday, January 16, 2013, Municipal Plaza Building, with the following Councilmembers present: Taylor, Ozuna, Saldaña, D. Medina, Lopez, C. Medina, Williams, Chan, Soules, and Mayor Castro. ABSENT: Bernal. The Deputy City Clerk announced that Councilmember Bernal was out sick.  

1. A BRIEFING BY THE PUBLIC UTILITIES SUPERVISOR ON CITY STAFF’S PROFESSIONAL RECOMMENDATION ON THE SAN ANTONIO WATER SYSTEM’S FY 2013 PROPOSED RATES.  

Ben Gorzell stated that the San Antonio Water System (SAWS) had proposed a rate adjustment of 11.3% system wide with a proposed effective date of March 1, 2013. He noted that the increase was estimated to generate $39.9 million in additional revenue. He reported that briefings regarding the rate increase were held with the City Council on November 14th, December 6th and December 12th. He mentioned that they provided responses to questions and requests for additional information to the City Council. He stated that the Public Utilities Staff had been performing a comprehensive review to include: Economic/Rate Model; Key Financial Targets; Capital Improvement Program; and Revenue Requirements. Lastly, he added that they had worked with SAWS Staff to adjust the original rate increase of 11.3% and had reduced the proposed increase to 8.4%.  

Mr. Gorzell provided an overview of the Operations and Maintenance (O&M) History and Projections from 2008-2017. He reported that the 2013 O&M Proposed Budget consisted of the following: 1) Salaries and Fringe Benefits=$128,718,106; 2) Contractual Services=$116,742,691; 3) Materials and Supplies=$24,449,725; and 4) Other Charges=$11,363,045. He stated that they projected 1,797 authorized positions for 2013; an increase from 1,748 in 2012. He indicated that they were recommending a Performance Pay Pool equivalent to 2.5% of Base Salaries effective April 1, 2013 at a cost of $1.6 million. He mentioned that they would continue to offer a Comprehensive Benefits Program but would make changes to the Medical Plans based on date of hire. He explained that employees hired prior to January 1, 2011 would pay 20%; while employees hired after January 1, 2011 would pay 30%. He indicated that in 2011, they announced changes to the Retirement Health Benefits for future retirees based on employee’s hire data and plan selected. He highlighted the two Pension Plans: Texas Municipal Retirement System (TMRS) and Principal Retirement System.  

Mr. Gorzell reported that SAWS owned 1,218 Fleet Assets consisting of Heavy Equipment, Light Duty Equipment, and Trailers. He noted that they acquired 379 Fleet Assets from the acquisition of BexarMet (District Special Project [DSP]). He explained that the estimated current replacement value was $60 million for SAWS and $18 million for the DSP. He stated that the 2013 Revised Capital Budget totaled $8.5 million; a decrease from the original request of $10.5 million. He provided an overview of the historical performance of the Capital Improvement Program (CIP) by Core Business of Water Delivery, Wastewater, and Water Supply. He highlighted the Proposed CIP for FY 2013-2017 and noted the projects included in the 2013 CIP totaling $350 million. He indicated that SAWS planned to build two
new Service Centers at an expected cost of $54 million over three years. He stated that they anticipated that proceeds from the sale of property would be applied against the Service Center Budget.

Mr. Gorzell reported that SAWS had 410,000 Wastewater Connections; 5,200 miles of Wastewater Mains; three Wastewater Treatment Plants; five Sewersheds; and 160 Lift Stations. He provided an inventory of the Wastewater System by Miles and Age by Diameter of Pipe. He reported the number of Sanitary Sewer Overflows (SSOs) from 2009-2012 and outlined the cause of the 2012 SSOs, noting that 29% were due to debris and 39% were due to grease. He spoke of the increased costs associated with Line Cleaning and Televising for 2013.

Mr. Gorzell highlighted the SAWS Flow of Funds, noting that the Bond Indenture required that gross revenues be pledged in the following order of priority: 1) Maintenance and Operating Expenses, 2) Debt Service and Reserve Fund Requirements, 3) City General Fund Transfer, 4) Equal Transfer to Renewal and Replacement, and 5) Any Surplus Transferred to Renewal and Replacement. He indicated that the amounts transferred to Renewal and Replacement provide cash funding for the Capital Program. He reported a 2013 Budget totaling $499,963,386 and outlined the outstanding debt by type.

Mr. Gorzell stated that in June 2010, a revised SAWS Rate Structure was approved which reduced rates for lower water usage and increase rates for higher water usage. He noted that the current rate request does not propose changes to the rate structure. He indicated that a Rates Structure Review Process would commence in 2013 utilizing a Rates Advisory Committee. He stated that they target implementation of the revised rate structure in 2015. He spoke of the customer bill impact with an 8.4% rate increase in which the total monthly bill would increase by $3.88. He mentioned that for FY 2013, the city would receive additional revenue in the amount of $486,000.

Mr. Gorzell spoke of the Drought Stage Rules that would be revised to address triggers, outdoor spray irrigation, car washing, and fountains. He stated that staff recommended that the City Council approve an 8.4% Overall System-Wide Rate Increase and noted that staff concurred with the proposed updates to the Drought Management Plan. He further recommended that SAWS develop a plan and begin efficiency reviews in areas to include Public Affairs Department, Customer Service Department, Engineering Department, and Fleet. He mentioned that they would continue to comprehensively evaluate Pension, Health, and Other Benefits, and would also implement Accountability Procedures for the SSO Program.

Mayor Castro thanked staff for the presentation and stated that he was pleased that the proposed rate increase had been reduced to 8.4%. He asked of SAWS' response to the staff recommendation. Robert Puente, SAWS CEO stated that they concurred with the city's recommendation to reduce the rate increase to 8.4% and were able to reduce the amount due to efficiency measures. He noted that he believed this amount would allow them to meet their mission and operate a top-notch utility. He added that they had begun identifying areas of efficiency and would continue to do so. Mayor Castro stated that he was confident that this was how the process should work. He recognized that the operational needs are in the best interest of ratepayers and looked forward to future discussions.

Councilmember Ozuna thanked everyone for their work on the process and stated that she was pleased with the lower increase recommended by city staff. She asked of the rate structure revised in 2010. Mr. Puente replied that the 8.4% increase would be implemented across the board. He explained that in 2010, rates were decreased for low-water users and rates were increased for high-water users. He indicated that they would begin working on a new rate structure in 2013 that would be implemented in
Councilmember Ozuna spoke of the effect of regressive rates on the community and being sensitive to the ratepayers. She noted that there was a great amount of aged pipe that needed to be addressed and spoke of the importance of reducing the amount of grease and debris causing SSOs. Mr. Puente stated that he was confident that the SSO Plan would address grease and debris.

Councilmember Lopez asked of the accountability procedures for the SSO and the relationship to the Rates Advisory Committee. Mr. Gorzell replied that written quarterly progress reports would be provided to the City Council and that they would establish a Cost Center to track all costs and activities associated with the SSO Program. He explained that the Rates Advisory Committee would work with SAWS to review the new rate structure that will be implemented in 2015. Councilmember Lopez commended SAWS for their community outreach. He added that although he was pleased with identifying efficiency measures, he did not want to short-change the outreach to the community.

Councilmember Williams asked of the percentage of the SAWS Budget allocated for salaries. Mr. Gorzell replied that it was 48.7%. Councilmember Williams stated that this was a high burden rate and asked if a comparison had been conducted among other entities. Mr. Gorzell stated that they had not conducted an analysis but could do so. Councilmember Williams asked if selection had been made for the Construction Manager at Risk for the Desalination Project. Mr. Puente replied that they had made a selection and were in the negotiation process. Kelley Neumann added that they had made a selection but did not have a Maximum Guaranteed Price. Councilmember Williams stated that SAWS should benchmark water and wastewater customers separately. He noted that he was concerned with the term “Average Customer” and requested that SAWS show the impact to various rate levels. He stated that he was pleased that there was a plan to evaluate results and spoke of the importance of focusing on how the rate increase will be used.

Councilmember Soules thanked staff for their work and stated that he was pleased that they would continue to identify additional efficiencies. He asked of the benchmarking data presented on Slide 18. Mr. Gorzell replied that Finance Staff had compiled the data and that the number of employees reported per entity were actual filled positions. Councilmember Soules expressed concern with the low percentages reported for 2012 Capital Improvement Projects within each of the categories of Water Delivery, Wastewater, and Water Supply. Ms. Neumann explained that amounts are committed when approved by the Board and that contracts are paid by phase as work is completed. Councilmember Soules expressed concern that he had not seen any of the information on Slide 24 related to two new Service Centers. Mr. Gorzell replied that city staff had been discussing the Service Centers with SAWS Staff. Doug Evanson of SAWS added that they may have presented a portion of the project amount but may not have discussed the total cost of $54 million over three years. Councilmember Soules spoke of the potential to find efficiencies prior to building new Service Centers. He asked of the amount spent by year on line cleaning, noting that he had requested the information on several occasions. Mr. Gorzell replied that they did not have that information and would follow-up with the City Council. Councilmember Soules noted concerns that more information was not provided regarding the funds spent to address SSOs since that was the main reason for the rate increase. He asked of the Rates Advisory Committee and if the City Council could recommend individuals to serve on that committee. Mr. Puente indicated that the City Council could recommend names to the SAWS Board to appoint to their Rates Advisory Committee.

Councilmember Chan thanked staff for the presentation and asked of the 77 employees transferred from the DSP. Mr. Gorzell replied that the 77 employees were transferred from the DSP and were included in the 1,674 total filled positions. Councilmember Chan asked of the pie chart entitled “2012 SSOs by
Cause” on Slide 27. Mr. Gorzell replied that the chart outlined the various causes of SSOs for 2012 and that the data was provided by SAWS. Councilmember Chan stated that the dollar amount spent to address SSOs should be equivalent to the percentage by cause. She asked of the budgeted and actual revenue for 2012. Mr. Gorzell replied that the budgeted revenue was $432.2 million. Mr. Evanson noted that the actual amount of revenue collected was $438.2 million. Councilmember Chan asked of the budgeted revenue for 2013 without the rate increase. Mr. Evanson replied that it was $433.8 million. Councilmember Chan asked of the O&M Cost for 2012. Mr. Evanson reported that the O&M Cost for 2012 was $233.9 million. Councilmember Chan asked of the amount that would be generated by the increase. Mr. Gorzell replied that it would generate $24.6 million for the nine-month period since it would be implemented in March.

Councilmember Chan asked of the additional revenue required for the Water Supply. Mr. Gorzell replied that the amount required for the Water Supply was $1.8 million. Councilmember Chan asked of the increased amount of funding needed for Line Cleaning and Televising in 2013. Mr. Gorzell confirmed that it totaled $7.33 million and that the total budget to address SSOs in 2013 was $28.7 million. Councilmember Chan asked of the 0.3% reductions related to O&M. Mr. Evanson responded that the $1.85 million reduction was included in items such as medical savings, advertising and legal reductions. Councilmember Chan asked how SAWS accounted for surplus revenues. Mr. Gorzell explained the Flow of Funds and noted that surplus was transferred to Renewal and Replacement. He added that the amounts transferred to Renewal and Replacement provide cash funding for the Capital Program. Councilmember Chan requested the amount of funding needed for the Desal Project. Mr. Gorzell replied that he would provide that information.

Councilmember Soules asked of SAWS accepting the lower proposed rate increase. Mr. Gorzell replied that they were projecting an increased customer growth and lower interest rates. He noted that he would review the data and provide a response to the City Council. Councilmember Soules stated that SAWS should adjust their budget during the year. Mr. Puente stated that projections were weather-dependent and very unpredictable.

Item 14. AN ORDINANCE ADOPTING THE CITY’S 5-YEAR CONTRACTING DIVERSITY ACTION PLAN.

Mike Frisbie presented a Power Point regarding the Diversity Action Plan noting that he and the Fair Contracting Coalition (FCC) initially presented the Plan to the City Council on December 13, 2012. He indicated that there had been extensive community involvement since October 14, 2012. He recognized various groups and individuals that assisted in creating the Plan. He introduced CIMS Assistant
Director Debbie Sittre who has served as the point of contact. Ms. Sittre spoke of the Plan’s Vision for city contracts to mirror the diversity of the San Antonio Business Community. She highlighted the Plan Goals to increase the number of minority and women-owned firms in the City’s Central Vendor Registry (CVR) and to increase the participation of minority and woman-owned firms on City Contracts. She reported that key objectives would include outreach to more firms to bid on city work and providing opportunities for Small, Minority, and Women-Owned Business Enterprises (S/M/WBE) by eliminating barriers.

Ms. Sittre outlined the strategies for outreach that include designating two staff persons as Diversity Coordinators to perform outreach and assist with registration and certification. She stated that they would host quarterly “Meet the Primes” Events to facilitate relationships. She noted that they would promote inclusion of one seat for San Antonio for Growth on the Eastside (SAGE) on the Economic Development Foundation (EDF) Board with the intent that the seat would be filled by an African American Business Owner. She mentioned that they would implement segmented goals as data indicates and that they would begin the stakeholder process for reviewing the Small Business Economic Development Advocacy (SBEDA) in February 2013. She indicated that Frost Bank would be taking the lead with other banks to form a six-month pilot program to improve small business access to lines of credit. Additionally, they have requested that Prime Consultants and Contractors hire high school and college students as interns. She added that the city will study the composition of the workforce in its construction contracts and promote diversity.

Mr. Frisbie stated that staff recommended adoption of the Diversity Action Plan and that they would report results on a quarterly basis with 2012 Bond Updates.

Mayor Castro called upon the individuals registered to speak on Item 14.

Bill Burman stated that he was representing the National Association for the Advancement of Colored People (NAACP) and thanked the City Council and City Manager for working with them. He spoke in support of the process that had been utilized to create the Diversity Action Plan. He stated that the Plan would have to be worked and that they would continue to monitor the participation. He noted that they hoped that the segmentation issue would be addressed in the future. He requested that they have representation on the EDF Board.

Jack M. Finger asked when the city would stop treating women, Hispanic, and Black Americans as second-class citizens. He stated that the city was providing them with a crutch and asked of the statute of limitations on affirmative action ideas that were established 40 years ago. He asked when Anglo Americans would be provided outreach to be considered for city contracts.

Darren James spoke in support of the Diversity Action Plan. He stated that they were not looking for a handout but an opportunity to build their capacity and become better contributing members of society. He noted that they had been in San Antonio since May 2011 and had become involved with SAGE, Rotary Club, and the Chamber of Commerce. He added that their Architectural and Engineering Firm was 32-years-old and worked with local companies to build capacity.

Lou Miller spoke in support of the Diversity Action Plan and thanked Mayor Castro and Councilmember Taylor for their leadership on the issue. He requested that the City Council consider creating an Oversight Committee consisting of community members who would be able to track the progress of the Plan.
Travis Wiltshire stated that he served on the Board of the Alamo City Black Chamber of Commerce and was supportive of the Diversity Action Plan. He noted that they would like for the city to consider the issue of segmented goals in the future and thanked the City Council for their support.

Gordon M. Benjamin stated that he served on the FCC and was supportive of the Diversity Action Plan. He spoke of the failure of past remedial actions and programs and noted that he looked forward to the document being adopted. He stated that he was pleased with the opportunities to increase the contracting participation of the African-American Community and other minority groups.

Porter Dillard commended the City Council for directing staff to move forward with the plan. He stated that he had been involved in creation of the plan for the past three months and was pleased with the approach utilized. He added that it would be important to stay the course and build the workforce diversity component.

Odis Spencer, Owner of River City Disposal stated that he was in support of the Diversity Action Plan. He thanked the City Council and city staff for their work and support.

Kyle McGlotten with ICS, LLC stated that they were a consulting firm that assisted municipalities become efficient and successful. He thanked the City Council for their leadership on said item and spoke of the need to measure results. He recommended that goals be adopted as part of the plan.

Councilmember Chan entered the meeting at this time.

Cristina J. Bazaldua representing the San Antonio Hispanic Chamber of Commerce spoke in support of the Diversity Action Plan. She stated that it was important to increase public contracting efforts for minorities and thanked the City Council for their support.

Renee Harris stated that she was a Woman-Owned, Disabled Veteran, Small Business Owner in support of the Diversity Action Plan. She spoke of the importance of implementation and accountability and thanked the City Council for their support.

T.C. Calvert spoke of the many meetings that were held to create the Diversity Action Plan. He commended the City Council for their support and stated that he was very proud that the message was being sent to other cities. He noted that history was being made today and could be replicated. He asked that it not be business as usual and stressed the importance of execution and building capacity.

Christopher Herring, Owner of New Horizon School and Small Business Advocacy Committee (SBAC) Board Member spoke in support of the Diversity Action Plan. He stated that they were not looking for a handout and that the city was making great progress by implementing a Diversity Action Plan.

Councilmember Taylor thanked everyone for their presence and participation in the process. She stated that this was a good starting point but there was more work to be done. She noted that she would like to stay in contact with city staff on the timeline for implementation of an Oversight Committee in relation to the Disparity Study. She indicated that she was pleased that they would be working with the EDF for SAGE to have a seat on their Board. She encouraged staff to continue dialogue and efforts with the FCC regarding the implementation of segmented goals. She asked the community to challenge the city to produce results that everyone would like to see.
Councilmember Williams thanked everyone for being present and for their work on the Diversity Action Plan. He stated that this was a good step but there was still more work to be done. He recognized the FCC for being proactive and making the city aware of the contracting disparities. He noted that they were working toward leveling the playing field and not giving a handout.

Councilmember Bernal stated that this was about equity of opportunity. He commended Mayor Castro and Councilmember Taylor for their efforts on said issue. He noted that he understood the skepticism due to limited efforts in the past and asked of the mechanisms in place to track the progress over the next year. Rene Dominguez replied that they would provide quarterly reports to the City Council and that staff would have internal metrics that would be monitored and reported. He noted that the SBAC would also provide oversight. Mike Frisbie added that staff was developing performance measures and goals. He spoke of their work to build capacity and grow African American Owned Companies. Councilmember Bernal stated that he would like to clarify how the performance measures and quarterly reports would be provided and would like for the public to have opportunities to provide input.

Councilmember Saldaña spoke in support of the Diversity Action Plan and stated that he looks forward to seeing the progress. He noted that he admired the passion of the individuals that spoke, those that worked to create the Plan, and that it was important to do the right thing.

Councilmember D. Medina stated that he was pleased with the work on the Diversity Action Plan and believed that it was a step in the right direction. He commended everyone involved in the process and spoke of the need to eliminate the barriers that still exist.

Mayor Castro commended Councilmember Taylor for her leadership on this effort and thanked city staff for their work. He further thanked everyone that was involved in the process. He spoke of the concerns brought forth regarding no Bond Projects being awarded to African American Owned Businesses as a Prime Contractor. He stated that it was important to keep up the work and not be in the same position in 20 years. He concurred with Councilmember Taylor’s recommendation regarding having appropriate oversight and looked forward to implementing the plan and seeing progress.

Councilmember Taylor moved to adopt the proposed Ordinance. Councilmember Bernal seconded the motion.

The motion prevailed by the following vote: 

**AYES:** Bernal, Taylor, Ozuna, Saldaña, D. Medina, Lopez, C. Medina, Williams, Chan, Soules, and Mayor Castro. 

**NAY:** None. 

**ABSENT:** None.

The Deputy City Clerk read the caption for Item 18:

**2013-01-17-0032**

Item 18. AN ORDINANCE AUTHORIZING AN AMENDMENT TO THE AGREEMENT WITH THE SAN ANTONIO INDEPENDENT SCHOOL DISTRICT (DISTRICT) INCREASING THE AMOUNT OF THE AGREEMENT FROM $111,000.00 TO AN AMOUNT NOT TO EXCEED $206,924.00 FOR IMPROVEMENTS AND RENOVATION OF DISTRICT PROPERTIES TO BE USED FOR THE PURPOSE OF INCREASING ACCESS TO PHYSICAL ACTIVITY RESOURCES FOR RESIDENTS OF THE CITY OF SAN ANTONIO AND BEXAR COUNTY FUNDED THROUGH AMERICAN
Councilmember D. Medina highlighted said item and asked for additional information on the program. Dr. Thomas Schlenker stated that this was part of the direction they had taken over the past few years to support shared use of school facilities. He stated that they were investing time and energy to improve school athletic facilities that were open to the community. He noted that they were targeting the Collins Garden Neighborhood as a Healthy Hub and were working with various entities to improve Boulevard Park. He added that they would improve the outdoor basketball court and create a walking track at Harris Middle School. Councilmember D. Medina stated that he was pleased with the great impact that the improvements would have in the Collins Garden, Harris, and Lone Star Neighborhoods.

Councilmember D. Medina moved to adopt the proposed Ordinance. Councilmember Bernal seconded the motion.

The motion prevailed by the following vote: AYES: Bernal, Taylor, Ozuna, Saldaña, D. Medina, Lopez, C. Medina, Williams, Chan, Soules, and Mayor Castro. NAY: None. ABSENT: None.

**Item 19. CITY MANAGER'S REPORT**

**A. BOARDING HOMES UPDATE**

Ms. Sculley reported that multiple departments including Development Services, Metro Health, City Attorney’s Office and Human Services were working with stakeholders to implement the inspection and permitting program. She stated that Boarding Homes that register with the city before March 1, 2013 would have until January 1, 2014 to install fire sprinklers. She noted that Boarding Homes that did not register by March 1, 2013 would have 30 days to meet all Ordinance Requirements. She reported that thus far, three Boarding Homes had requested applications for registration. She indicated that staff was working with stakeholders to outreach to Boarding Home Operators and a meeting would take place on January 22, 2013 at the Development Services One Stop. Additionally, staff will hold an informational session for Boarding Home Operators and Fire Sprinkler Contractors to explain the various types of sprinkler systems with an emphasis on those required for Boarding Homes, Permitting Requirements, and the Inspection Process. She stated that a list of the Fire Sprinkler Contractors that attend the informational meeting would be provided to Boarding Home Operators. She added that city staff would assist Boarding Home Operators in the Registration Process and help them better understand the Ordinance Requirements.

**B. HUMAN SERVICES UPDATE**

Ms. Sculley reported that the 2013 Volunteer Income Tax Assistance (VITA) Season kicks off on January 28, 2013 and will operate through April 15, 2013. She stated that free tax preparation and e-filing would be made available to individuals and families earning up to $55,000. She noted that the VITA Program would operate 23 VITA Sites and one Mobile Team. She mentioned that 640 VITA Volunteers had registered to date. She indicated that Student Aid Saturdays would be co-located with VITA at St. Mary's University, Palo Alto College, and University of the Incarnate Word to assist families in completing their free application for Federal Student Aid Forms. She reported that in 2012,
VITA filed 34,274 tax returns recovering over $63 million in refunds and eligible credits for San Antonio Families.

Ms. Sculley also reported on the Point-In-Time (PIT) Count that was critical to San Antonio’s efforts to address homelessness. She stated that federal funding for homeless programs was largely based on this one-a-year physical count of the city’s homeless population. She noted that since 2003, the Department of Housing and Urban Development has required local communities receiving federal homeless funding to conduct a PIT Count in their community. She indicated that the PIT was conducted in one night by surveying and counting homeless persons living in shelters, streets, parks, and other places not meant for human habitation. She mentioned that the South Alamo Regional Alliance for the Homeless was the Local Homelessness Continuum of Care Coalition in Bexar County and coordinates the PIT. She added that this year’s count was planned for Tuesday, January 22, 2013 from 5:00-9:00 pm and that people could register to volunteer by visiting the Haven for Hope Website.

Mayor Castro thanked Ms. Sculley for the report and stated that he looked forward to the implementation of the VITA Program and Boarding Homes Policy.

RECESSED

Mayor Castro recessed the meeting at 10:40 am and announced that the meeting would resume at 2:00 pm for the Zoning portion of the agenda.

RECONVENED

Mayor Castro reconvened the meeting at 2:05 pm and addressed the Zoning Items.

CONSENT ZONING ITEMS

Mayor Castro called upon Jack M. Finger to speak.

Mr. Jack M. Finger stated that he was opposed the proposed daycare in Items P-1 and Z-17 due to commercial encroachment in the residential neighborhood. He expressed concern with the increased parking issues that would be created. He spoke in opposition to the pawn shop proposed in Items P-2 and Z-22, and to the used car lot in Item Z-23.

Written testimony was received from Jim Reed, President of the San Antonio Medical Foundation in support of Items P-4 and Z-24.
