October 8-9, 2014 and October 15-16, 2014. Councilmember Gallagher seconded the motion. The motion prevailed by the following vote:

Aye: 10 - Mayor Taylor, Toney, Viagran, Saldaña, Gonzales, Lopez, Medina, Nirenberg, Krier and Gallagher

POINTS OF PERSONAL PRIVILEGE

Mayor Taylor presented an Emissary of the Muses Certificate to Mike Riley, General Manager of the Charline McCombs Empire Theatre in recognition of The Lion King Broadway Musical. It was noted that The Lion King would attract more than 80,000 visiting patrons to the Theatre and Downtown San Antonio over its four-week run. Mr. Riley thanked the City Council for the recognition and introduced several cast members that were present.

Mayor Taylor recognized Councilmember Gonzales who asked for support in the renaming of Alta Vista Street to Jaime P. Martinez Place (Item 29). Mr. Martinez addressed the City Council and stated that he was honored with the recognition. He thanked Councilmember Gonzales and stated that his Grandparents had been mentors with the Alta Vista Neighborhood. He spoke of his experiences growing up on Alta Vista Street and his efforts on social justice issues. The City Councilmembers commended Mr. Martinez for his work and expressed their support.

4. An Ordinance appointing a replacement City Council member for District 1. [Leticia M. Vacek, City Clerk]

Mayor Taylor called upon each of the applicants for the District 1 Vacancy to make a statement before the City Council.

Susan Galindo stated that she was honored to have been selected as one of the top three Applicants. She noted that she was born and raised in San Antonio and had served on the North East Independent School District Board of Trustees for the past eight years. She mentioned that she had spoken with Councilmember Bernal regarding his priorities and would work to ensure that the projects moved forward.

Dr. Holly Keyt spoke of her work as a Physician and stated that it equipped her with a skill set that would allow her to provide public service from the first day of appointment. She

noted that she fully understood the depth of commitment required to serve and was able to commit the time and energy of the important role.

Roberto C. Treviño stated that he was happy and humbled to be amongst the top three Applicants selected and spoke of the great efforts thus far to revitalize Downtown San Antonio. He noted that he served the city in various capacities including the Airport Advisory Commission, Stinson Subcommittee, Stinson's 100-Year Anniversary Planning Committee, and the Bexar Appraisal District Board of Directors. He stated that he served as an Adjunct Faculty at UTSA and had graduated from Leadership San Antonio Class 38.

At this time, Mayor Taylor called upon the citizens registered to speak.

Nazirite Ruben Flores Perez stated that the City Council would make a good decision and he was supportive of all of the Applicants.

Leah Chapa addressed the City Council in support of the appointment of Susan Galindo. She spoke of Ms. Galindo's heart and compassion for people with Special Needs and stated that she was dedicated and qualified to serve as the District 1 Councilmember.

Martin Kushner stated that he was the President of the Tobin Hill Community Association and they had not had the opportunity to meet with any of the Applicants. He requested that the Applicant selected meet with the Neighborhood Association Presidents as soon as possible and maintain the current District 1 Staff.

Gloria Ramirez Uribe addressed the City Council in support of the appointment of Roberto C. Treviño. She stated that Mr. Treviño would be an asset to the District and would work with all of the Homeowner Associations. She noted that Mr. Treviño was a qualified professional who was very involved in the City's Boards and Commissions.

Written testimony was received from Brian Gottardy, Superintendent of North East ISD in support of the appointment of Susan Galindo.

Councilmember Nirenberg asked of outreach within the community of District 1. Mr. Treviño replied that he had sent his Letter of Interest and Resume to all of the District 1 Neighborhood Association Presidents and intended to meet with them expeditiously if appointed. Ms. Keyt stated that she understood the importance of meeting with the Neighborhood Associations and looked forward to working with them. Ms. Galindo noted that she had not had the opportunity to meet with the Neighborhood Association Presidents but looked forward to developing those relationships.

Councilmember Nirenberg asked of the Public Safety Budget Process. Mr. Treviño acknowledged that the city had gone through great lengths to accommodate some of the concerns with regard to negotiations. However, he stated that it was important to ensure a balanced budget and hoped to reach a compromise with professional discourse. Ms. Keyt stated that she had a unique perspective on the costs of providing health care and felt it was reasonable to expect public servants and civilian employees to contribute to their health care costs. Ms. Galindo responded that she had not been privy to all of the information but felt there was a dual role to protect Firefighters and Police Officers while keeping the city financially healthy.

Councilmember Nirenberg asked of the Transportation Network Company Item that they would be voting on later today. Mr. Treviño stated that his experience on the Airport Advisory Commission gave him some insight of the issue. He noted that the real question was public safety but noted the importance of embracing new technologies. Ms. Keyt stated that she was interested in hearing additional perspectives and had observed articles and community responses related to the issue. Ms. Galindo stated that she did not have enough information to understand the fullness of the situation and hoped that the vote would be postponed.

Councilmember Gallagher stated that there were many issues coming forward that required much study by the Council. He asked of Gentrification and their stance on same. Mr. Treviño stated that it was a complex issue and every situation required a unique study. He noted that there should be a balance on saving the culture and integrity of a neighborhood while embracing progress. Ms. Keyt replied that Gentrification was a sensitive issue that required thoughtful planning and collaboration among stakeholders. Ms. Galindo stated that Gentrification could re-create or destroy a neighborhood and required the neighborhood working together.

RECESSED

Mayor Taylor thanked all the applicants for their willingness to serve. She recessed the meeting into Executive Session at 10:14 am to discuss the following:

A. Deliberate the appointment, evaluation and duties of public officers and discuss legal issues pursuant to Texas Government Code Section 551.074 (personnel matters) and Texas Government Code Section 551.071 (consultation with attorney).

RECONVENED

Mayor Taylor reconvened the meeting at 10:37 am and announced that no action was taken in Executive Session. Mayor Taylor continued with Item 4.

Carol Evans stated that she is a Taxicab Driver in support of the proposed regulations. She expressed concern with TNCs operating illegally in the city.

Henry Rodriguez addressed the Council and stated that more time was necessary to make the best decision for all parties involved. He requested that the City Council delay the vote on said item.

George Alejos addressed the City Council in opposition to the proposed ordinance. He stated that monopolies were not good for anybody and that the TNCs were not compromising safety.

Chris DeLeon addressed the City Council in opposition to the proposed ordinance. He stated that he was a full-time Uber Driver and noted many college students use Ride Share Services.

Michael James addressed the City Council in opposition to the proposed ordinance. He stated that he was an Uber Driver and concerned with the negative impact of the regulations.

Jack M. Finger requested that the City Council vote to delay said item.

Mitsuko Ramos of Kaufman and Killen stated that they represented George Mery of Elegant Limousine and were in support of the proposed ordinance. She noted that approving the regulations would allow the TNCs to operate legally in San Antonio.

George Mery, President of Elegant Limousine addressed the City Council in support of the proposed ordinance. He stated that they had worked hard on the compromise which would protect the public.

Robert Gonzalez addressed the Council in support of the proposed ordinance. He showed a screen shot of a poll conducted by KSAT 12 News in which the public was asked if Uber and Lyft should be subject to the same standards as Taxicabs. He indicated that 81% voted in favor and spoke of the importance of public safety.

Ralph Velasquez addressed the City Council and stated that the issues at hand were process,

precedence, and purpose of the rules of governance. He expressed concern that small businesses were not included on the Task Force.

Tom Walker stated that he had been a Yellow Cab Driver for nine years and was in support of the proposed ordinance. He asked that the TNCs comply with the regulations.

David Tolliver addressed the City Council in opposition to the proposed ordinance. He stated that he earned additional income as an Uber Driver to help with expenses for his Special Needs Daughter.

Alan Warrick stated that he looked forward to working on this ordinance and requested that the City Council delay the vote at this time.

Mayor Taylor thanked everyone that spoke and recognized Councilmember Viagran and the Public Safety Council Committee for their work. She stated that Uber and Lyft had been operating without a regulatory framework and could now operate legally if the ordinance was adopted. She noted that they were not trying to shut down or discourage TNCs but providing adequate regulations for the Industry. She stated that there would be an opportunity to review the ordinance in one year and could make revisions at that time. She added that the city welcomed innovation and growth of business in San Antonio but must protect the residents.

Councilmember Viagran thanked everyone involved in the process and asked Chief McManus of the attestation process. Chief McManus replied that he was not comfortable with the TNCs attesting to the documentation. He stated that drivers should be required to hand deliver or electronically deliver all of the paperwork prior to receiving a permit. Councilmember Viagran stated that the issue at hand was protecting the public and fairness. She expressed concern that TNCs were operating illegally and felt that this was a balanced solution with a fair and reasonable framework.

Councilmember Viagran moved to approve staff's recommendation as outlined in Attachment A to the ordinance with the following amendments: 1) Amend Section 33-985(b)(10) by deleting the provisions that a driver's personal automobile insurance carrier must be informed that the driver intends to drive for a Transportation Network Company and the insurance company will notify the Transportation Network Company if the insurance lapses. 2) Amend Section 33-985 which states the required driver qualifications by adding a provision that if a driver provides proof to a Transportation

Network Company that the driver is a student; a valid driver's license issued by any state or territory or the United States is sufficient for a driver to receive a permit. In addition, amend this section to delete the requirement that Transportation Network Drivers must complete a defensive driver training course, and the requirement that drivers must be medically cleared by passing a physical and eye exam. 3) Amend Section 33-985 to add the following subsection (e): "The TNC application for a drivers permit shall be presented by the driver, in person, with all the documentation required by this section, to the director or director's designee at a location designated by the director. The driver shall also present the Transportation Network Vehicle which the driver proposes to use, along with all the documentation required under Section 33-987. If the application is approved, the director shall issue a drivers permit and affix the vehicle permit to the vehicle. All the documentation presented by the driver, except for the driver and vehicle attestations, will be returned to the driver for return to the sponsoring TNC." 4) Amend Section 33-985 to add the following provision as subsection (b)(6) that the proposed driver: "Has executed an authorization in writing for the release to the city by the TNC of any and all information, without limitation, which the TNC may have concerning the proposed driver, and a release of the TNC and the city from all liability which may result from the furnishing of such by the TNC." 5) Amend the current Section 33-062 by adding a new subsection (b) to provide as follows: "Holders for limousine services and taxicabs shall have each vehicle inspected prior to operation and yearly thereafter by an A.S.E. Certified Mechanic in accordance with established inspection guidelines and standards of the city, and attest to same to the city before the city affixes a vehicle permit to allow such vehicle to be placed in service as a vehicle for hire." The current subsection (b) shall be renamed subsection (c) and shall be amended to add, "The director shall inspect each vehicle for hire yearly," the following language: "except for vehicles used in limousine services and taxicabs,". 6) Effective date of the ordinance will be March 1, 2015. As necessary, any numbering or designation or subsections shall be changed to reflect the additions and deletions of this motion and for consistency. Councilmember Toney seconded the motion.

Councilmember Nirenberg expressed concern that he had received two significant lists of amendments within the last 24 hours. He asked of the differences in insurance requirements for the TNCs and Taxicabs. Chief McManus explained Periods 1, 2, and 3 and stated that Taxicabs were covered all of the time with Commercial Insurance. Councilmember Nirenberg noted concerns with creating barriers that do nothing for public safety and stifle innovation. He stated that delaying the vote would help regulate a new industry and would not affect public safety.

Councilmember Nirenberg moved to postpone Item 5. Councilmember Saldaña seconded the motion.

Councilmember Saldaña commended Councilmember Viagran for her work on the issue. He stated that he was supportive of Uber, Lyft, and other Ride Share Companies operating in San Antonio but did not feel they should be completely unregulated. He noted that he hoped there could be a balance and was supportive of delaying the item to gather the necessary information. He asked why the effective date was being revised to March 1, 2015. Councilmember Viagran replied that they would like for the TNCs to have enough time to comply with the new regulations.

Councilmember Krier stated that he was supportive of Ride Sharing and Innovation in San Antonio and welcomed TNCs. He asked Chief McManus if he was comfortable with the amendments. Chief McManus replied that he was. Councilmember Krier asked of other Texas Cities. Chief McManus responded that only Houston and Dallas had adopted formal policies. Mr. Steve Baum stated that the City of Dallas had adopted their ordinance the previous day and was substantially different than San Antonio's. Councilmember Krier asked if Lyft had withdrawn from the agreement in Houston. Chief McManus confirmed that they had. Councilmember Krier confirmed that Uber and Lyft had not adhered to the Cease and Desist Order in San Antonio. Chief McManus stated that was correct and they were still in operation. Councilmember Krier asked Bo Gilbert of USAA if the city was proposing the insurance protections that they would recommend. Mr. Gilbert replied that he was speaking on behalf of USAA and they believed the insurance requirements proposed by the city were appropriate. Councilmember Krier spoke of the great amount of work that had occurred over the past nine months and stated that he was comfortable supporting the item today.

Councilmember Gallagher stated that there was a Cease and Desist Order in place that was not being followed and confirmed that it would be in effect until March 1, 2015. He noted that the issue was being addressed to ensure public safety and the vote should not be delayed.

Councilmember Gonzales asked of the insurance requirements. Chief McManus replied that Primary Insurance would be required for TNCs in Periods 2 and 3. Councilmember Gonzales spoke of the great amount of work by the Public Safety Council Committee and Task Force on the issue. She stated that they were recommending simple regulations that TNCs should be able to comply with and was prepared to vote in favor of the item today.

Councilmember Toney commended the Public Safety Council Committee for their work. He asked of the Annual Fees for Taxicabs and TNCs. Chief McManus replied that Taxicabs paid \$440 annually and TNCs would pay \$160 annually. Councilmember Toney stated that he was not opposed to TNCs operating in the city but they must be doing so legally. He noted that these were reasonable recommendations and would be voting in support of the ordinance.

Councilmember Lopez asked Mr. Leandre Johns of Uber if they would continue to operate in violation of the Cease and Desist Order. Mr. Johns replied that he would have to discuss the matter with his team.

Councilmember Nirenberg asked Mr. Bo Gilbert of the purpose of excess coverage in Period 2. Mr. Gilbert replied that he had not written the report but presumed that the excess coverage was included in the event that the underlying coverage was inadequate to pay for the loss. Councilmember Nirenberg stated that he did not feel the excess coverage was necessary and could not support the ordinance as written. Mr. Erik Walsh noted that the insurance coverage recommendations were modeled after those in California State Law.

Councilmember Treviño commended Councilmember Viagran for her efforts noting that she had worked diligently to structure regulation around fairness for existing businesses. He stated that he would support a delay on the vote in order to find a compromise that would provide safety while allowing innovation and new business models.

Councilmember Saldaña asked of the new requirements for TNC Drivers. Mr. Baum replied that they would be required to have a 10 Fingerprint Criminal History Check, Drug Test, as well as have their driving record and personal automobile insurance reviewed. Councilmember Saldaña asked how long the process would take. Mr. Baum responded that they could accomplish this within 10 business days.

Mayor Taylor thanked everyone for the presentation and comments. She addressed the motions in the following order:

Motion by Councilmember Nirenberg to postpone Item 5 and seconded by Councilmember Saldaña Failed by the following vote:

Lori Houston presented a Power Point regarding the Master Agreement with the Hemisfair Park Area Redevelopment Corporation (HPARC). She stated that long-term development of the Landlord Property through public/private partnerships was negotiated by HPARC and approved by the City Council. She noted that the agreement established the framework for future park management that would define HPARC's role as manager of the operations, maintenance and programming of Hemisfair Parkland. She reported that it would also authorize HPARC to lease the existing historic buildings to retail tenants that would activate and enhance the park, as well as transfer the City's Interest as landlord in the UNAM and Magik Theatre Leases to HPARC.

Mrs. Houston spoke of Donor Recognition noting that HPARC would negotiate agreements for the specific naming of Park Tracts subject to City Council Approval. She stated that HPARC would enter into agreements to name portions, improvements, or elements within Park Tracts consistent with a developed Donor Recognition Policy. She noted that in regard to Major Donations; a contribution must equal at least 70% of Total Capital Costs, including Design, Construction, and Supervision. She stated that up to 20% may be set aside as endowment for Maintenance, Operations, and Programming. She indicated that certain naming parameters, exclusions, and objectives would apply and that all signage must be approved by the Historic and Design Review Commission. She explained that Major Recognitions would be approved by the City Council and last 25 years, while Recognition Opportunities would be approved by the City Manager and last 10 years.

Mrs. Houston stated that the Master Lease would lease the land designated for development to HPARC. She noted that it would allow for Public Private Partnership Developments with City Council Approval of leases and projects. She added that Minor Subleases for tenants in existing buildings would require City Manager Approval.

Mayor Taylor thanked staff for the presentation and called upon the citizens registered to speak.

Nazirite Ruben Flores Perez stated that he used to sell newspapers and worked for Coca-Cola in the Hemisfair Park Area. He noted that he was in support of the development at Hemisfair Park.

Jack M. Finger expressed concern with Public Private Partnerships noting that there was not a bid process. He spoke against allowing naming rights and asked what would occur if enough donations were not received.

Councilmember Lopez stated that this item had been vetted by the Council Committee and had been through a long process. He noted he was pleased with the positive results and looked forward to the City's upcoming 300-Year Anniversary.

Councilmember Lopez moved to adopt the proposed ordinance. Councilmember Treviño seconded the motion. The motion prevailed by the following vote:
