2014-09-11-0674

4. An Ordinance establishing the composition and structure of a Charter Review Commission. [Carlos Contreras, Assistant City Manager]

Carlos Contreras presented a Power Point and stated that the City Council had established a Charter Review Commission (CRC) on August 7, 2014. He explained that the CRC would consist of 13 Members and be subject to the Open Meetings Act and Board and Commission Rules. He noted that Members must be qualified voters of the city. He mentioned that they would serve two-year terms concurrent with City Council Terms; however, initial appointments would expire on May 31, 2015.

Mr. Contreras reported that that CRC would be charged with reviewing the City Charter and identifying sections or provisions that are obsolete or inconsistent. He stated that they would prepare recommendations for the City Council to include issues such as a Mayoral Mid-Term Vacancy and City Council Compensation. He noted that the City Council would review the recommendations of the CRC and take action when needed. He added that City Council Action was required before any issue or proposal was placed on the ballot for consideration by the voters.

Mr. Contreras stated that the CRC would consist of 13 Members as follows:

- Seven (7) Community Representatives
- Two (2) Former Elected City Officials
- One (1) Former City Employee
- One (1) Individual with Expertise in Municipal Law
- One (1) Individual with Expertise in Human Resources
- One (1) Individual with Expertise in Municipal Finance

Mayor Taylor thanked staff for the presentation and stated that she welcomed the opportunity to create a mechanism where the City Charter could be continually examined.

Councilmember Gallagher stated that the City Council should recommend individuals that will make decisions based on their long-term applications. He added that more than two Former Elected Officials could serve if they represented another category.

Councilmember Gonzales asked of the length of the terms. Mr. Contreras replied that they would serve terms concurrent with the City Council Terms and that their initial term would expire on May 31, 2015.

Mayor Taylor called upon the citizens registered to speak.

Nazirite Ruben Flores Perez requested that a good process be established for the Committee.

Jack M. Finger expressed concern with the composition of the Charter Review Committee that would include Former City Officials and City Employees.

Councilmember Viagran moved to adopt the proposed ordinance. Councilmember Toney seconded the motion. The motion prevailed by the following vote:

Aye: 11 - Mayor Taylor, Bernal, Toney, Viagran, Saldaña, Gonzales, Lopez, Aguirre-Rodriguez, Nirenberg, Krier and Gallagher

CONSENT AGENDA ITEMS

Item 20 was pulled for Individual Consideration. Councilmember Gallagher moved to approve the remaining Consent Agenda Items: 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, and 19. Councilmember Nirenberg seconded the motion.

Mayor Taylor called upon Mr. Jack M. Finger to speak.

Mr. Jack M. Finger spoke in opposition to the City Council Project Fund Allocation to San Antonio Sports and the San Antonio Public Library (Item 16). He stated that he was pleased that the Tax Rate for the Public Improvement District had remained the same (Item 20).

Faris Hodge, Jr. submitted written testimony in opposition to Items 5, 12, 14, 15, 17, and 18. For Item 17, he wrote that Board Members should be interviewed on television. He wrote in favor of Items 6-11, 13, 16, 19, and 20. He requested that sidewalks in the Downtown Area be cleaned four times per day (Item 20).

The motion to approve the remaining Consent Agenda Items prevailed by the following vote:

RECESSED

Mayor Taylor recessed the Regular City Council Meeting at 9:37 am. She announced that the City Council would reconvene the previous day's B Session to address the Sustainability Department Budget.

RECONVENED - B SESSION - ITEM 4. SUSTAINABILITY

Douglas Melnick presented the Sustainability Department Budget totaling \$3.2 Million and stated that they did not receive funding from the General Fund. He highlighted FY 2014 Accomplishments that include saving \$2.1 Million through Energy Efficiency and promoting Sustainable Transportation. He reported that there had been a 76% increase in Certified Fiesta Events and 90% increase in Recycling Tonnage. He added that they were in the process of reviewing the Ordinance and would make recommendations for improvement to the City Council in November.

Mr. Melnick reviewed FY 2015 Major Initiatives noting their focus would be on Air Quality Planning in coordination with the Texas Commission on Environmental Quality. He stated that they would expand the B-Cycle Program by providing 18-20 more stations with 150 bikes. He mentioned that they were working with the Development Service Department to review the 2015 International Energy Conservation Code which would set standards for Energy Efficiency. He spoke of the development of a Sustainability Plan for the City of San Antonio noting that cities are being benchmarked upon their levels of Sustainability. He added that they were coordinating with the Planning and TCI Departments on the Comprehensive and Multi-Modal Transportation Plans to ensure that there is no duplication of efforts.

Mayor Taylor thanked Mr. Melnick for the presentation. She stated that the initiatives should enhance each other so that there is not a duplication of efforts and asked of the timeline of the Sustainability Plan. Mr. Melnick replied that they would begin their

engagement outreach at the same time as the Comprehensive Plan.

Councilmember Viagran stated that she was pleased with the grants received. Mr. Melnick replied that they had received multi-year grants for B-Cycle and Outreach/Education and hoped to receive additional grants in FY 2015. Councilmember Viagran asked of the B-Cycle Expansion and locations. Mr. Melnick responded that the locations were still being determined and that they must be placed a minimum of half a mile apart. Councilmember Viagran stated that she would like to have one at Stinson Airport.

Councilmember Gallagher stated that the EPA would be raising standards and that the City of San Antonio could be placed in Non-Attainment Status. He spoke of the emissions that were being cleaned up from H.B. Zachry's Cement Plant and noted that he would like for the community to be educated on Air Quality Initiatives.

Councilmember Krier asked if the \$2.1 Million in savings were recurring or one-time savings. Philip Gates stated that \$1.1 Million in savings was identified in 2014. He noted that \$1 Million was cumulative from previous years. Councilmember Krier expressed concern that they were spending \$3.1 Million to save \$2.1 Million and with the nine employees assigned to the Department. He stated that the work would still be occurring if the nine employees did not exist and that additional funding should be allocated to the Office of Military Affairs which only had one employee.

Councilmember Lopez stated that he concurred with Councilmember Krier regarding the attention needed toward the Military but did not feel that \$3 Million should be redirected from Sustainability. He spoke of appropriating funds to the Plans that are tied to the Sustainability Plan as well as identifying which Plans already have funding allocated. He noted the Air Quality Issue and the need to identify costs.

Councilmember Toney asked that staff consider the quality of life initiatives that are planned for the urban core in District 2 and stated that he would like to see B-Cycle Stations added. Mr. Melnick stated that he would work on same. Councilmember Toney stated that he also would like to see further coordination with the Military.

Councilmember Nirenberg thanked staff for their work and stated that there should be an increasing return on investment. He mentioned the importance of Human Capital for a Sustainable City. He added that Sustainability must be researched, developed, and data-driven and that it was an investment for the future.

Councilmember Aguirre-Rodriguez asked of the Grants Listed on Slide 5. Mr. Melnick replied that the grants were provided by the Texas Department of Transportation. Councilmember Aguirre-Rodriguez stated that she was pleased with the positive revenue

that was helping with Sustainability Efforts. She noted the importance of funding to address issues for the future and asked of the initiatives of other cities. Mr. Melnick replied that it varied and that there were some offices that had one person and some had more staff.

Councilmember Bernal stated that there should be additional staff within the Office of Military Affairs but did not feel that Sustainability should be cut. He noted that there was additional time to discuss adding and reducing funds to Departments.

Mayor Taylor thanked staff for the presentation.

Mrs. Sculley provided the City Council with a handout of Potential Budget Amendments and stated that she and Maria Villagomez would meet with the City Councilmembers individually regarding same. She noted that a B Session would be held next week to discuss Budget Amendments.

ADJOURNMENT

There being no further discussion, Mayor Taylor adjourned the meeting at 10:27 am.
