1. A Briefing on Luminaria, San Antonio’s annual celebration of art and artists [Ed Belmares, Assistant City Manager; Felix Padron, Director, Culture and Creative Development]

Felix Padron presented information on Luminaria 2014, noting that the event had been initiated by Mayor Phil Hardberger in 2008. He stated that over its seven years in existence; more than 3,000 Artists had exhibited their work and over one million people had attended. He mentioned the partnership among the City of San Antonio, Luminaria Board, and the 80/20 Foundation to fund a Five-Year Strategic Plan for the Event. He stated that the goal was to enhance the event’s position at a National and International Level, as well as
develop strategies that would embrace Best Practices. He mentioned that the Plan would provide a blueprint for implementing a bold new vision for the event. He indicated that the one-day event would be expanded this year; and would be held over two days.

Mr. Padron reported that Luminaria 2014 would be held on November 7-8, 2014 and that Local Artists would join Artists from Latin America. He stated that the event would be staged in different parts of Downtown but would focus on River North. He highlighted the event website and encouraged everyone to visit Luminarius.org to find a listing of Artists and Events. He showed an aerial map of the event locations and added that the event would be held on the River and Street Levels. He thanked Silver Eagle, Rackspace, and Bank of America the sponsors of the event.

Mayor Taylor thanked staff for their work and stated that Luminaria was turning into a signature event of San Antonio.

Councilmember Bernal commended the Culture and Creative Development Department for their work. He expressed support for Luminaria and stated that he was pleased the Local Artists would have the opportunity to participate.

Councilmember Saldaña asked of transit service for the event. Mr. Padron replied that they had worked with VIA Metropolitan Transit to provide Park and Ride Service and that parking near the event sites would be clearly identified.

Mayor Taylor thanked staff for the presentation.

2. A Briefing on the Henry B. Gonzalez Convention Center Expansion Project to include an update on the project status, schedule, and the upcoming major milestones through completion [Ed Belmares, Assistant City Manager; Mike Frisbie, Director, Transportation and Capital Improvements]

Mike Sawaya presented an overview of the Henry B. Gonzalez Convention Center Expansion Project and highlighted the Floor Plan. He stated that the current space was 1.3 Million square feet and would be increased to 1.65 Million square feet when fully constructed. He spoke of the great amount of growth in Convention Centers built over the last 10 years and the importance of staying competitive in the market.

Mike Frisbie showed photos of the construction including an aerial view of the Expansion, Market Street Realignment and view from Market Street. He highlighted the foundation work, metal deck, CPS Elevated Vault, and fiber installation. He reported that the total project budget was $325 Million and that $93.5 Million had been spent thus far. He stated
that the project would be completed in November 2016 and showed a rendering of the Building Façade.

Mayor Taylor thanked staff for their work and stated that she was pleased with the shape of the project and the change in the landscape of Downtown. She asked of the useful life of the project in relation to other projects being built. Mr. Sawaya replied that they would increase exhibit space to 522,000 square feet and that San Antonio would be in the Top 10 in size overall.

Councilmember Toney stated that he was pleased to hear about the progress of the project and stated that it would position the city well throughout the nation.

Councilmember Nirenberg stated that it was an impressive project and a huge investment for the City of San Antonio. He also commended the TCI Staff for their work on the Hausman Road Project.

Councilmember Bernal expressed support for the project and stated that the driving experience along Market Street had improved. He commended the Convention Center for their great work in serving multiple conventions, noting that he had attended Comic-Con and the Bridal Extravaganza in the same weekend with no concerns.

Councilmember Viagran stated that she had the same experience this past weekend at the Convention Center and that she was pleased with the Market Street Realignment. She recommended that something unique and creative be placed at the top of the Convention Center and that the CVB market the Missions on the Southside of the city.

Councilmember Saldaña asked of the need for future expansion of the Convention Center. Mr. Sawaya responded that the Center was designed to be competitive into the future and that the city was fortunate to have the Alamodome to connect to. He stated that he felt it was properly sized for the next 10-15 years and hopefully beyond that. Councilmember Saldaña asked of the Art Components. Mr. Sawaya replied that the Art Budget was $3 Million. Mr. Frisbie added that there had been a Call for Artists and a selection had been made through that process. He stated that the Historic and Design Review Commission and Public Art San Antonio Board were reviewing the Art to ensure that it was suitable. Councilmember Saldaña asked if anything else could be incorporated at this point. Mr. Ed Belmares replied that there were still opportunities along Market Street and on top of the Convention Center within the $3 Million Budget.

Mayor Taylor thanked staff for the presentation.

PUBLIC HEARING

The City Clerk read the caption for Item 3:

3. A Public Hearing to allow citizens and other interested parties the opportunity to provide comments to the City Council on the proposed Vista Ridge Water Supply Agreement. [Ben Gorzell, Chief Financial Officer and Troy Elliott, Finance Director]

Mayor Taylor opened the Public Hearing.

Robert Puente, SAWS President and CEO presented a Power Point on the Vista Ridge Water Supply Project. He spoke of the need to protect the Edwards Aquifer and ensure a lifeline supply of water for Ratepayers. He reported that the Vista Ridge Project would allow SAWS to purchase tomorrow’s needed water at today’s prices. He noted that the potential rate impact to the average residential bill would be 16% by 2020. He added that the Mitigation of the Rate Impact was dependent on the Rates Advisory Committee developing a new rate structure. He highlighted Vista Ridge Contract Provisions noting that SAWS would only pay for the water made available. He added that Vista Ridge would build the project infrastructure while SAWS would build the system integration infrastructure. He explained that the assets and infrastructure would be transferred to SAWS and that SAWS would retain the right to continue purchasing water.

Mr. Puente provided an overview of the distribution of Vista Ridge Water and indicated that there would be enough water for 160,000 homes. He spoke of the Local Source of the Water Supply which included the Carrizo and Simsboro Aquifers. He mentioned that permits had already been issued by the Local Groundwater District and that 3,400 leases had been executed with Local Landowners. He stated that there were no drought
restrictions and that there was 12 times more water than all Texas Lakes combined. He spoke of the seven Negotiation Meetings held and open to the public, and the 74 Public Meetings, Tours, and Individual Briefings that were held. He noted that the risk was minimal in that SAWS could get out of the contract if the company could not make it work. He added that this would be the largest Non-Edwards Water Supply in San Antonio History and that SAWS would continue to be a Nationwide Leader in Conservation.
