2015-10-08-0864

10. An Ordinance approving an interlocal agreement establishing concurrent jurisdiction for criminal cases arising from State law and punishable by fine only that are committed on the boundaries of the cities of San Antonio and any contiguous municipalities or within 200 yards of that boundary. [Erik Walsh, Deputy City Manager; William McManus, Chief of Police]

Councilmember Gallagher asked why the concurrent jurisdiction was needed. Chief McManus stated that the Interlocal Agreement would allow jurisdictions that qualify to enter 200 yards into the contiguous jurisdiction to enforce offenses that do not allow for jail time. He noted that this would include items such as a Class C Misdemeanor, Traffic Offense, or a Low Level Assault Offense. He stated that the citation would be handled in the Municipal Court of the city making the arrest or writing the citation. Councilmember Gallagher asked if they were satisfied with the 200-yard distance. Chief McManus stated that he was pleased that they would be allowed to enter 200 yards which was better than not having access at all. Councilmember Gallagher asked if Military Bases were included. Chief McManus replied that they were not included.

Councilmember Gallagher moved to adopt the proposed ordinance for Item 10. Councilmember Viagran seconded the motion. The motion prevailed by the following vote:
