**ACTION ITEMS FOR STAFF BRIEFING**

City Clerk Vacek read the caption for Item 4:

4. Presentation by the Texas A&M Institute of Renewable Natural Resources (IRNR) on the final San Antonio Water Policy Study developed by IRNR. [Peter Zanoni, Deputy City Manager; Dr. Roel Lopez, Director, Texas A&M Institute of Renewable Natural Resources]

Peter Zanoni stated that the Water Policy Study was conducted by the Texas A&M Institute of Renewable Natural Resources and was available to the public on the City of San Antonio Website. He outlined the project timeline and noted that the cost for the study was $98,000. He explained that the initial draft was received in May 2015 and that edits were recommended by the City and SAWS Staff. He noted that Final Water Policy Study was submitted to the City in November. He explained that the Water Policy Study assembled analysis in one document on water resources and water policy issues. Additionally, it
provides analysis on 12 water supply sources and 24 water policy issues. He added that public comment on the Water Policy Study would be received this morning, this evening at 6:00 pm, and on November 18, 2015 at 6:00 pm.

Dr. Roel Lopez presented a Power Point regarding the City of San Antonio Water Report. He provided a Report History, noting that the project was commissioned in October 2014 and its purpose was to evaluate 12 projects and 24 issues. He stated that early drafts of the study were submitted over the Summer and a final draft was received on October 1, 2015. He noted that they had initiated a Science Panel Review to ensure that the Final Report was objective and scientifically sound. He indicated that the Science Panel Review was commonly used in academia and consisted of a broad representation of experts. He mentioned that the Science Panel was asked to develop a better scorecard to identify new measures and redefine existing measures that address scientific biases. He explained the results of the Water Supply Reliability and reported that the Vista Ridge Project scored a "medium" value for supply reliability. He noted that from a technical standpoint; Vista Ridge was viable.

Dr. Lopez outlined the revisions to the Study Summary, noting that it was reformatted for ease of use and that values and assumptions were reviewed and validated. He stated that the scorecards were left intact for transparency and comparison. He noted that an alternative reliability analysis and independent grade assessment was offered by the Science Panel. He indicated that the study was a tool for decision-making and provided broad descriptions of 12 water projects and 24 water issues. He added that recommendations and other considerations were provided by a diverse panel of water experts and thanked everyone for their work.

Mayor Taylor called upon the citizens registered to speak.

Graciela Sanchez addressed the City Council in opposition to the Vista Ridge Project and SAWS Rate Increases. She expressed concern with the negative impact to low-income families and noted that they had collected 200 signatures from citizens also in opposition.

Nazirite Ruben Flores Perez stated that he was opposed to buying and selling water and expressed concern with fluoride in the water supply.

Two Bears addressed the City Council in opposition to the rate increases and asked that Mayor Taylor meet with the Native American Nations Council regarding land violations.

Jack M. Finger addressed the City Council in opposition to the Vista Ridge Project and expressed concern with the proposed rate increases.
James Spickard stated that he was a Professor and had peer reviewed many articles. He expressed concern with the index used to construct the Risk and Reliability Analyses and stated that it would not pass a peer review of any journals that he works with.

Gianna Rendon addressed the City Council in opposition to the Vista Ridge Project and proposed rate increases. She expressed concern with the negative impact to farmers, ranchers, and ratepayers.

Margaret Day stated that she was the Chair of the Alamo Sierra Club and expressed concern with the Water Policy Study. She noted that the process was flawed and that the panel was rushed and did not question SAWS' Data.

Meredith McGuire addressed the City Council and expressed concerns with the Water Policy Study. She also expressed concern that commercial water users did not have an incentive to conserve water.

Cheryl Hamilton addressed the City Council and expressed concern with the Vista Ridge Project. She requested that more public hearings be held to gather input from the ratepayers.

Mayor Taylor asked if the Water Policy Study was available in Public Libraries and if it had been translated into Spanish. Mr. Zanoni replied that it had not yet been placed in the Libraries or been translated into Spanish but could do so. Mayor Taylor asked of the public outreach conducted by SAWS. Mr. Robert Puente stated that they held numerous meetings in the community regarding the Vista Ridge Project, Rates Structure, and Rate Increases.

Councilmember Treviño asked if all of the information to assess the Vista Ridge Project was made available to Dr. Roel Lopez. Dr. Lopez replied that not all of the information was available but had noted same in the study. Councilmember Treviño asked of the primary concerns with the Vista Ridge Project. Dr. Lopez stated that the main concern was related to the reliability of supply and that the panel had a few other concerns as noted in the Appendix of the Study.

Councilmember Krier noted that it was up to policymakers to decide the amount of risk acceptable and asked of the Water Supply Reliability Results. Dr. Lopez replied that they were average values and listed in rank order for illustrative purposes. Councilmember Krier asked of the projects funded by the rate increase. Mr. Puente replied that the majority of the increase was related to projects other than Vista Ridge and noted that most of the Vista Ridge Expenditures would not occur until Financial Closure.
Councilmember Warrick asked of the Peer Review Process. Dr. Lopez replied that it consisted of an independent panel of Scientists providing their review and feedback. Councilmember Warrick asked if the Vista Ridge Project aligned with the State Water Plan. Dr. Lopez confirmed that it was within the State Water Plan.

Councilmember Medina asked of the commitment to the Consent Decree. Mr. Puente stated that the vast part of the rate increases would be utilized for water and sewer line replacements as well as everyday needs of the water utility. Councilmember Medina stated that the end goal was to preserve and protect the water future and thanked SAWS for their leadership.

Councilmember Nirenberg stated that the Water Policy Study was not about a specific water project but about coordinated decision making. He recognized the original author of the Study, Dr. Calvin Finch. Dr. Finch stated that he was proud of the process but noted that he was concerned with the blind Peer Review which he had not been allowed to respond to. Councilmember Nirenberg asked of the methodology and uncertainty. Dr. Lopez stated that the focus was the reliability of supply and that the scorecard was objective. He noted that the Edwards Aquifer was the most important water supply source but there should be a diversity of water to be able to meet the growing demands. Councilmember Nirenberg asked of the firm yield of the Vista Ridge Project. Mr. Puente replied that it was 50,000 acre-feet. Councilmember Nirenberg stressed the importance of water conservation and protection of the Edwards Aquifer.

Councilmember Gallagher stated that he understood the concerns regarding increased water rates but noted concern with a lack of water supply for the future.

Councilmember Viagran asked of the rate cap that the City Council would be asked to approve. Mr. Ben Gorzell stated that SAWS was requesting a 7.5% rate increase for FY 2016 and a rate cap of 7.9% for FY 2017. Councilmember Viagran asked of the Lifeline Rate and assistance for low-income families. Mr. Puente stated that 26% of ratepayers would see a decrease in their rate and noted that they had doubled the amount of funding available in the Affordability Program.

Councilmember Gonzales asked of the decline in Conservation Goals. Mr. Puente responded that the Conservation Goals had not decreased and that they would continue to aggressively increase Conservation Efforts. Councilmember Gonzales asked of the Rate Structure Committee. Mr. Puente noted that the Committee was comprised of one appointee by Mayor Taylor and each of the City Councilmembers, as well as representatives from interest groups. He stated that they met for 18 months and received
input from the community.

Councilmember Saldaña asked Dr. Finch if he agreed with the revised methodology of the Water Policy Study. Dr. Finch stated that there was room to debate the contentions made in the second report in terms of Risk Management. Councilmember Saldaña asked of the assessment of the Vista Ridge Project. Dr. Finch replied that based on the information available; they determined that it was a High-Risk Project but not necessarily a bad choice.

Councilmember Treviño asked of the impact of a modification to the Rate Structure. Mr. Puente replied that they would have to review same noting that a change in one area could affect another area.

Mayor Taylor thanked everyone that was present and stated that no action was required for Item 4.

20. An Ordinance authorizing revisions to the Air Service Incentive Development Program for the San Antonio International Airport to provide more flexibility in attracting new air service. [Carlos Contreras, Assistant City Manager; Frank Miller, Director, Aviation]

Councilmember Treviño highlighted the Incentive Program at the San Antonio International Airport. Mr. Frank Miller stated that Program would provide incentives adding new Non-Stop Air Services and attract new airlines to the San Antonio Market. He noted that the Incentive Categories included: 1) Landing Fees; 2) Terminal Rental Waivers; 3) Airfield Fee Waivers; and 4) Marketing Support. He noted that available incentives were governed by Federal Aviation Administration Rules. He outlined major changes to include changing from a rebate of Landing Fees to a waiver and adding incentive categories and waivers. He added that San Antonio had more aggressive incentives than most airports on Marketing,
Building Rentals, and Airfield Fee Waivers. Councilmember Treviño expressed his support and asked how the program was communicated. Mr. Miller replied that they had discussed the program with the Airlines at the Airport and would send them the revisions. He stated that they would also provide the information to the Airlines in which they have had ongoing discussions over the year. Councilmember Treviño stated that it was important to connect with Mexico.

Councilmember Krier expressed his support and stated that he hoped that commitments to routes combined with incentives would produce significant improved results.

Councilmember Treviño moved to adopt the proposed ordinance for Item 20. Councilmember Gallagher seconded the motion. The motion prevailed by the following vote:

23. A Resolution authorizing City staff, in coordination with Bexar County and Spurs Sports & Entertainment, to negotiate the terms and conditions of a purchase agreement for the acquisition of Toyota Field and, upon purchase, to lease Toyota Field to SS&E for a term of 20 years. [Carlos J. Contreras III, Assistant City Manager; Michael J. Sawaya, Director, Convention & Sports Facilities]

Councilmember Gallagher called Gordon Hartman and Bobby Perez forward to speak on the affect this would have on Morgan’s Wonderland and the involvement of Spurs Sports and Entertainment (SS&E). Mr. Hartman stated that it would bring attention and support to Morgan’s Wonderland. He added that Toyota Field was owned by the Non-Profit that owned Morgan’s Wonderland and would benefit financially. Mr. Perez stated that SS&E was excited to partner with the City of San Antonio, Bexar County, and Mr. Hartman in moving to the next level for professional soccer.

Mayor Taylor called upon Jack M. Finger to speak.

Mr. Jack M. Finger expressed his opposition and asked what would occur if Soccer was not successful. He noted that SS&E should fund the project without the City’s assistance.
Councilmember Krier recognized Mr. Hartman for his great work and SS&E for their commitment to San Antonio. Councilmember Viagran thanked everyone for their investment and asked of the Resolution. Mr. Mike Sawaya replied that it would authorize the City to negotiate a purchase and sale agreement in coordination with Bexar County, with SS&E for a ground lease for Major or Minor League Soccer.

Councilmember Warrick asked if the Alamodome could be utilized for Soccer. Mr. Sawaya replied that there was criteria for the size of a Soccer Specific Stadium but was a good environment for operating a Minor League Soccer Team. Councilmember Warrick asked of competition from Austin or Laredo. Mr. Sawaya replied that there was not a team playing in Austin at the Minor League Level. Councilmember Saldaña asked of the support that would be provided for Morgan’s Wonderland. Mr. Hartman replied that there would be some improvements that would be made at the park and that through the endowment; Morgan’s Wonderland would continue to grow in the future. Mayor Taylor added her support and thanked everyone for their partnership.

Councilmember Gallagher moved to approve the Resolution. Councilmember Treviño seconded the motion. The motion prevailed by the following vote:
