## **City Seeks Applicants for Zoning Board of Adjustment**

**SAN ANTONIO (April 29, 2014)** – The City of San Antonio is seeking applicants to serve as alternates on the Zoning Board of Adjustment (BOA). This board hears and decides appeals where it is alleged there is error in any order, requirement, decision or determination made by an administrative official in the enforcement of the Unified Development Code (UDC), Chapter 35 of the San Antonio, Texas Code of Ordinances.

Positions will be open until Friday, May 30, 2014 and applications are available at <https://webapps2.sanantonio.gov/BoardComm/Vacancies.aspx>. Interested applicants may obtain more information about the Board of Adjustment at [http://www.sanantonio.gov/dsd/zoning.asp#Board\\_of\\_Adjustment](http://www.sanantonio.gov/dsd/zoning.asp#Board_of_Adjustment).

The board may also authorize variances from the provisions of the UDC, where evidence presented supports findings that literal enforcement would result in an unnecessary hardship, and the spirit of the ordinance will be observed. The board functions as a quasi-judicial board and its members are prohibited from discussions about pending cases outside of the formal meeting.

Meetings are generally held on the first and third Mondays at 1p.m. and typically last two hours. Members are compensated \$20 for each seated meeting.

For additional information, call the City of San Antonio Board of Adjustment staff at (210) 207-8208 or (210) 207-8214.

### **A Model City for all America: San Antonio**

*San Antonio is a model city for the new face of America—a diverse, progressive and globally competitive city with a solid vision for national and international economic development. In 2012, San Antonio was named an All-America City by the National Civic League. City of San Antonio maintains a strong financial position with a “AAA” general obligation bond rating from all three major rating agencies. The Milken Institute has ranked San Antonio No. 1 on its Best-Performing Cities list. As the seventh-largest city in the United States, San Antonio is experiencing solid economic growth in 21<sup>st</sup> century industries such as bioscience and healthcare. Biotech companies and healthcare systems in San Antonio contribute billions to the local economy. The Aerospace industry remains a dominant economic strength in San Antonio with the presence of several aviation and aerospace corporations, including the military. The military has had a significant relationship with San Antonio for more than 200 years and is home to several military commands. The city is also a cybersecurity hub; nationally recognized as a leader in the field of information security. San Antonio is positioning itself to be at the forefront of the New Energy Economy in the United States, committed to investing and creating employment opportunities in green industries. The travel industry also remains a consistent growing economy for the city, as millions of people visit San Antonio on a yearly basis.
