

District 10 Newsflash

Brought to you by Clayton Perry, District 10

January 23rd, 2018

Howdy Neighbors,

Last night's Northeast Neighborhood Alliance (NNA) meeting was a huge success. The group hosted a candidate forum for Texas House District 121 and Congressional District 21. It was truly encouraging seeing so many of our neighbors there at the candidate forum last night. With so many candidates running in both races, I hope you all take this opportunity to get out there and make an educated vote this Spring. If you could not make it to the forum last night, there is still plenty of time to learn more about the candidates. This election is important and will directly impact you.

As a reminder, the Primary Election for State Representatives and Congress will take place on Tuesday, March 6th, 2018. The last day to register to vote is Monday, February 5th, 2018. Early voting takes place from Tuesday, February 20th, 2018 - Friday, March 2nd, 2018. Check your county elections [website](#) for voting information and locations.

I'd like to also congratulate the newly elected NNA Board and thank outgoing President John Clamp for all of his hard work over the past few years. The NNA will now be charged by former District 10 Councilman, Mike Gallagher. Colletta Galloway will serve as the Vice President, Ron Van Kirk as the Treasurer, Casey Whittington as the Secretary, and Naomi Miller will serve as the Membership

Secretary. Congratulations to all. The NNA and District 10 Community Meetings play a crucial role in keeping our communities informed about important municipal issues. We strongly encourage you all to attend these meetings which are held at 7 PM at the Tool Yard, on the 3rd Monday of every month, unless it falls on a holiday. If you already attend these meetings - thank you and please encourage your neighbors to join you.

As always, thank you for being active community members and leaders here in District 10, and do not hesitate to contact our office if we can be of any assistance to you.

- Clayton
