EMployees must wear face coverings

Per City and County Order, all employees of Exempted Businesses must wear a cloth face covering only when working in an area or performing an activity that necessarily involves close contact or proximity to co-workers or the public.

Cloth face coverings should:

- Cover nose and mouth
- Fit snugly but comfortably against the side of the face
- Be secured with ties or ear loops
- Include multiple layers of fabric
- Allow for breathing without restriction
- Be able to be laundered and machine dried without damage or change to shape

Face coverings are **not** a replacement for social distancing, frequent handwashing, and self-isolation when sick. Infants and people with health conditions that may make breathing difficult should not wear masks, but should take precautions to socially distance from others.
