

NALCAB

Raising the Bar - Transforming Communities with Capital and Leadership

A training event to advance culturally relevant wealth building strategies.

Tuesday, November 4 - Thursday, November 6, 2014

Hilton Anatole Hotel, Dallas, Texas

Highlighting culturally-relevant strategies for building community and wealth such as:

- Train the Trainer to Support Latino Entrepreneurship and Business Growth

Learn how to support successful business owners using proven culturally and linguistically relevant approaches.

- Equitable Neighborhood Preservation and Development

Understand how the market dynamics, government subsidies, and cultural factors influence successful neighborhood development.

- Advancing Financial Capabilities in Immigrant Communities: Integrating Financial Coaching and Asset Building Services presented with Mission Economic Development Agency

Learn how to integrate financial coaching with other services to help families achieve their financial goals and improve their quality of life.
