## COVID-19 Info

Coronavirus disease 2019 (COVID-19) is a worldwide pandemic that has disrupted daily life. Stay-at-home or quarantine orders have closed many workplaces, while asking more of those in essential industries. Things keep changing as the situation changes. A few weeks ago, many people were adapting to working from home. Soon, returning to the workplace will require that many readjust to that environment. The goal of this page is help keep readers informed and provide tools to strengthen emotional resilience and preparedness for this turbulent time.
