TRAINING AND ENGAGEMENT PHILOSOPHY

Training and Engagement within the City of San Antonio is focused on creating and delivering the most impactful opportunities for employees to reach career potential. There are several core development principles that serve as the foundation for all learning. Across the City of San Antonio, we:

- Leverage current job assignments as the primary source of employee development.
- Offer supplemental opportunities to learn Professional, Managerial, Leadership, Trade, Technical and Language skills through City-wide course offerings.
- Measure capabilities and develop employees based on City-wide standards (Core Values).
- Provide annual development plans throughout an employee’s career.
- Share feedback regularly and recognize and reinforce performance standards.

2019-2020 TRAINING CATALOG OVERVIEW

Each fiscal year, the Training Division of Human Resources reviews City-wide course offerings to determine which most align with City needs as voiced by employees and their supervisors. This year, new courses are being offered in the Professional, and Managerial and Technical areas. As always, employee development discussions and supervisor approval are required before an employee is registered for any courses.

Below are a few highlights of new courses being offered in the current 2018-2019 fiscal year.

REGISTRATION PROCESS, LOCATIONS, AND PARKING

Course Availability
Training courses are shared for the current fiscal year. A new catalog will be available at the start of each fiscal year.

Registration Process
Employees are required to obtain supervisor approval prior to self-enroll for a course in Moodle. Please see the Moodle e-Learning site to register for a course. Employees are required to have supervisor approval prior to registering.

Course Cancellation
If you are unable to attend a course, please un-enroll yourself from the course in Moodle as soon as possible. This will allow employees on the waiting list to attend.

Course Duration
Courses can range from two hours to 40 hours (five days @ eight hours/day). Courses lasting eight hours or more will break for a one hour lunch period. If a course ends earlier than scheduled (e.g., short of 8 hours, or short of an afternoon) or is offered at a different schedule than your normal start and end time, discuss directly with your supervisor on how this should be handled and recorded. In some instances you will be required to return to your work location.

Course Locations
Training is offered at a number of sites across the City. At times, training dates and/or sites are changed (based on the number of registered employees and the size of training space needed). Location and course confirmation will be provided a few days prior to the session to registered participants. The back of this catalog provides maps to various locations used for training.

Parking
Most sites provide ample and free parking. Parking information is provided in your course Maps location in Moodle.

To register for any ACCD training class, log in to Moodle.
