(currently, the Department of Communications and Public Affairs)

TITLE:
Public Information Office Records – Videotape Collection, 1976-2007

DATES:
1976-2007

QUANTITY:
167 ft.

LANGUAGES:
English

REPOSITORY:
City of San Antonio, Office of the City Clerk, Municipal Archives & Records.

ADMINISTRATIVE HISTORY:
The Department of Communications and Public Affairs manages the City’s communications and media relations activities, develops information and public awareness campaigns, produces internal and external publications, oversees content on the City’s website and manages TVSA the City’s cable television channel.

Communications and Public Affairs coordinates programming for TVSA, cable channel 21. This government access channel is another tool the City uses to
broadcast City Council meetings, Bexar County Commissioner’s Court meetings, insightful talk programs hosted by City Council members and by City departments, and special programs produced by the department.

**SCOPE AND CONTENT:**
The collections consists of 164 boxes of video tapes covering city council meetings, city television programs and footage of events around the city from 1976 – 2007.

Note to Users: The original name of the originating office was the Public Information Office. The current name is Department of Communications and Public Affairs.

**RELATED MATERIAL:**
The Public Information Office digital collection contains photographs predominantly from ceremonial events and images are added on an ongoing basis. Many of the topics, persons and events covered in the programs are referenced in additional digital collections such as the *City Council Agendas, 1999 – present*, and *City Council Minutes, 1915 – present*.

These collections can be accessed at the Municipal Archives & Records [Digital Collections](#) page.
