Introduction

HOME Investment Partnerships Program (HOME) funds are allocated by HUD to eligible State and Local governments for the expansion of the supply of decent, safe, sanitary and affordable housing (24CFR Part 92).

The City of San Antonio's (COSA) and Neighborhood Housing Services Department (NHSD) administers a down payment and closing cost assistance program out of HOME funds. The Homeownership Incentive Program (HIP 80) consists of federal funds made available to eligible first-time homebuyers. The HIP 80 program provides homeownership opportunities for low to moderate-income families.

Families with income below 80% AMI may qualify for an FHA 203B, FHA, VA or a Conventional loan to finance the purchase of an existing or completed inventory new construction home. However, some of these families are unable to save the money needed for the down payment and closing costs that are required from the lender. Assistance will be provided in the form of a forgivable loan at 0% interest rate and no monthly payment are required.

Policy clarifications or general questions should be addressed to the City's Neighborhood and Housing Services Department (NHSD). Please call 210-207-6459 or submit questions to the following link:

<https://www.sanantonio.gov/NHSD/About/Contact?sendto=NHSD-HLO>

NHSD processing and the HIP 80 commitment

IT IS RECOMMENDED THAT THE LENDER VERIFY THAT THE FILE IS COMPLETE AND CREDIT APPROVED, PRIOR TO SUBMISSION TO COSA. Submit files by mail or courier, **no emails will be accepted.** All documents must be legible.

Coordinate with your real estate agent to send these as soon as they are available. HIP 80 will use these documents to open a new file and conduct the HIP Property Review even though your lender file may not yet be complete.

1. Copy of purchase contract receipted by the Title Company; including all addenda.
2. Copy of the Property Inspection Report for the subject property (**including complete inventory new construction**)
3. Copy of the City of San Antonio Homebuyer's Education Class Certificate

Property Inspection Report will be reviewed by COSA personnel to process COSA HIP Property Review Form. A third-party inspector secured by COSA NHSD will inspect the property for any needed repairs connected to health, safety and code violations. Realtor, lender and buyer will be advised of any required repairs. If the property does not pass the compliance inspection, COSA must be notified to proceed with the loan process when all discrepancies are corrected.

Upon receipt of a lenders loan approved packet, COSA begins processing the request for assistance. The following describes the processing components:

1. Packet is reviewed to ensure completeness, accuracy and eligibility. There is a 7-10 business days turn around.
2. In accordance with HUD occupancy standards, a review of the proposed property will determine if the structure has sufficient living/sleeping space to accommodate the family size.
3. A Site Specific Environmental Review Record (ERR) is conducted by COSA per HUD 24CFR 58.6. Certain ERR results may have a negative impact on COSA's ability to provide assistance (i.e. air, noise, or flood thresholds.)
4. By reviewing lender's signed Loan Estimate and Itemized Fees Worksheet, COSA loan officer computes the amount of HIP 80 assistance.
5. Lender must submit ALL required documentation (Lender's Packet Checklist on page 11 and 12) three (3) weeks prior to schedule closing date. **The only documents that can be received a week prior to scheduled closing are: homeowner's insurance, title commitment, and the appraisal.** After lender has submitted all required documentation and HIP 80 assistance has been approved, an executed commitment letter will be provided.
6. COSA - NHSD will order legal documents from the City Attorney's Office and will wire transfer funds to title company. There is a 3 business days turn around.
7. The COSA - NHSD loan officer will deliver and or email legal documents to the title company.

Coordination with COSA – NHSD loan officer is essential to meet closing deadline schedules and avoid delays.

The earnest money contract

1. COSA - NHSD requires a copy that is legible.
2. The contract must show a fixed interest rate.
3. The contract must be properly receipted by a Title Company with a minimum of \$500 earnest money
