Home Ownership Program for Employees (HOPE)

General Information for Civilian City Employees

HOPE provides assistance to full-time City of San Antonio employee homebuyers by making a \$5,000 or \$10,000 Zero% interest / No Payments second loan. This loan is forgiven over five years of city employment and can be used for any combination of the down payment required by your lender and some of the additional closing costs associated with purchasing a home. Only homes located in the Community Revitalization Action Group (CRAG) area or the Inner City Reinvestment/Infill Policy (ICRIP) area are eligible. Detailed maps of the CRAG and ICRIP areas are available online on the City of San Antonio website at www.sanantonio.gov/NHSD.

The first step for homebuyers is to prepare for the home buying process by completing a Homebuyer Education Class. A class is offered by the Neighborhood & Housing Services Department (NHSD). This eight-hour class will educate you about managing your money, understanding credit, obtaining a mortgage loan, and shopping for a home. Visit www.sanantonio.gov/NHSD for details on the next available class session to reserve your seat.
