In 2019, the TIRZ was extended to September 30, 2034. Street Retail San Antonio, L.P., the TIRZ primary developer and Federal Realty Investment Trust, completed numerous public improvement projects: Houston and Crockett Streets, the Historic Civic Center Linkage, the Houston Street Bridge, Majestic Courtyard, and the renovation of the Walgreens/Stuart buildings. After completion of all obligations, City Council approved the closeout agreement concluding Street Retail’s participation in the TIRZ on May 21, 2015 through Ordinance 2015-05-21-0441.

In June 2015, the City amended the TIRZ boundary adding 260 parcels or roughly 138.54 parcel acres. These changes required amendments to the Project and Finance Plans and a new Inter-local Agreement with Bexar County.

TIRZ STATUS UPDATE
New projects added to the TIRZ project plan include the San Pedro Creek redevelopment, the Alameda Theater Revitalization project, and the development of the Frost Bank Tower. The Frost Bank Tower project was a public private partnership (P3) and will help to facilitate the consolidation of city offices and the adaptive reuse of current offices into 265 units of housing in the central business district. Recent projects include the Maverick Building, Maverick Dog Park, San Pedro Creek, Witte and Fish Buildings, Burns Building, Sam’s Maverick Spirits, Main Plaza SAGA Light Show, Travis Garage, and the rehab of the Grant and Kress Buildings. Houston Street Lighting Project was completed and closed. The TIRZ included one tax abatement and the following 380 agreements: ARGO, Encore Riverwalk (CCHIP), Floodgate (CCHIP), Heritage Plaza (CCHIP), and HVHC.

TIF Summary – FY18 Texas Comptroller’s Registry

TIRZ 10 Stablewood Farms

TIRZ OVERVIEW
This TIRZ was designated on December 14, 2000 and has a termination date of September 30, 2025. The TIRZ is located in the SW quadrant of the City of San Antonio on approximately 173 acres. The intent for this TIRZ was to provide mixed income housing and mixed use development in areas south of Highway 90. Participating taxing entities included the CoSA (100%), Bexar County (100%), and ACCD (100%). The developer of the property is Westside Land Partners, Ltd. and projected improvements were 324 single-family residences, 452 multi-family residences, and 64.3 acres of commercial space. The number of proposed homes outlined in the Finance Plan was reduced by 10 (from 324 to 314) because a detention facility was constructed.

TIRZ STATUS UPDATE
To date, 314 single-family residences and 252 multi-family residences have been constructed. A 7.2 acre park was also completed in December, 2003 and turned over to the City of San Antonio in early 2006. The Commercial and the Phase II Apartment sites were sold in July 2006, approximately 2 years ahead of schedule. A 196 unit apartment complex construction was scheduled for June 2006; however, it was terminated due to political opposition. No additional multi-family units are planned.

TIRZ 16 Brooks City Base

TIRZ Overview
This TIRZ was designated on December 9, 2004 with a termination date of September 30, 2029. The intent for this TIRZ was to facilitate the redevelopment of the former Brooks Air Force Base. CoSA (85% participation) is the only participating taxing entity and the developer of the property is Brooks Development Authority. The 2,522 acre project has acreage dedicated to commercial space, park development, and multi-family residences. Southeast Baptist Hospital was relocated to Brooks City Base and renamed Mission Trail Baptist Hospital.

TIRZ Status Update
The developer has completed both phases of horizontal construction required to complete the project. Marketing efforts are underway to attract viable entities to the commercial space outlined in the plan. The project provided a Super Power Center, preserved green space, Aviator Apartments, Embassy Suites Hotel, Brooks Development Building, UIW Medical School, Brooks Apartments, Vantage Apartments, Nissei Plastics, and the Animal Care Services Clinic. Projects currently under construction include: Greenline Park, Granados retail center, Aeromedical Drive (road), Aviation Landing (road), and Greenline Park to Mission Reach Extension. The following projects are in pre-development phase: a medical clinic, single-family housing, town center, and an independent senior living facility. Czechoslovakian Company Okin BPS announced it will locate its North American Corporate Headquarters in the Brooks TIRZ. Okin is expected to create 1,465 new jobs over 5 years, including 418 new full-time jobs paying more than $50,000 annually, and 382 high-wage full-time jobs paying more than $70,000 annually.
