PROJECT LOCATION MAP

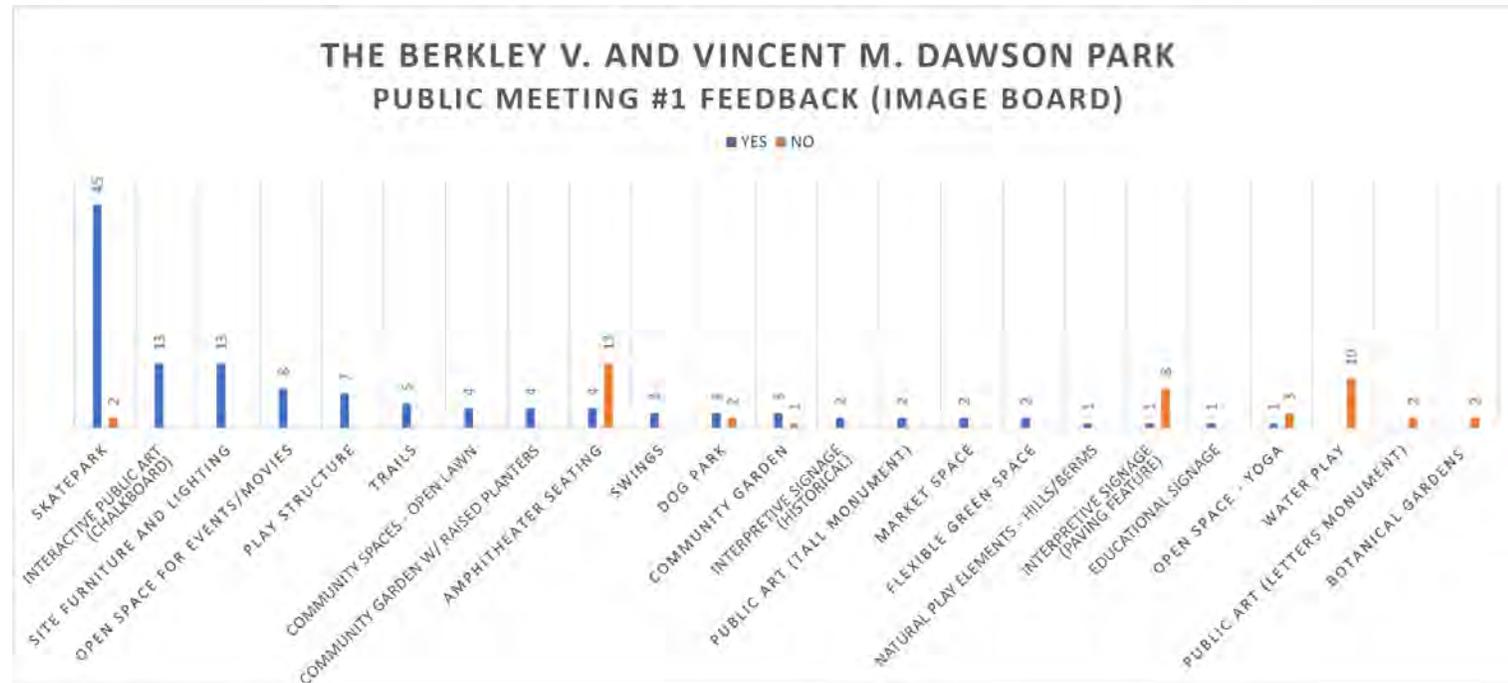

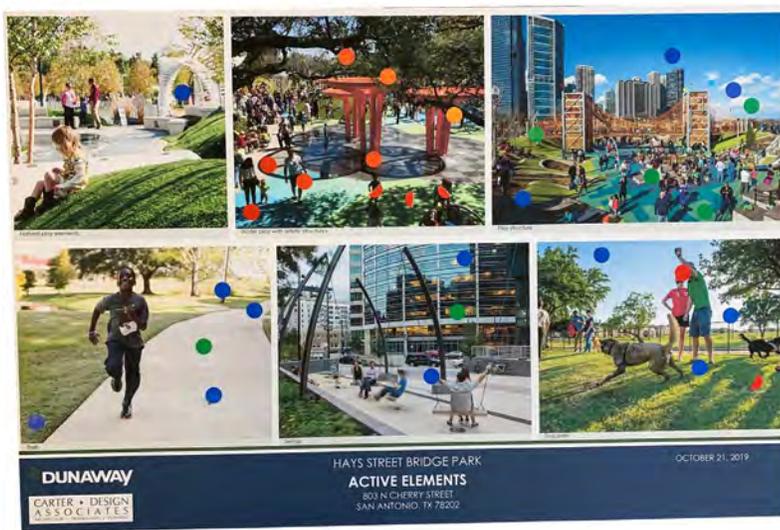

EXISTING SITE PLAN

Public Comments

First Public Meeting General Comments

- Historic/Culture of East Side
- Architectural Features of Bridge highlighted in park elements
- Connection to Bike Trail with amenities
- Pavilion for the community
- Green Open Space for small events
- Highlight the bridge and its history
- SKATE PARK!

Public Comments

Second Public Meeting General Comments

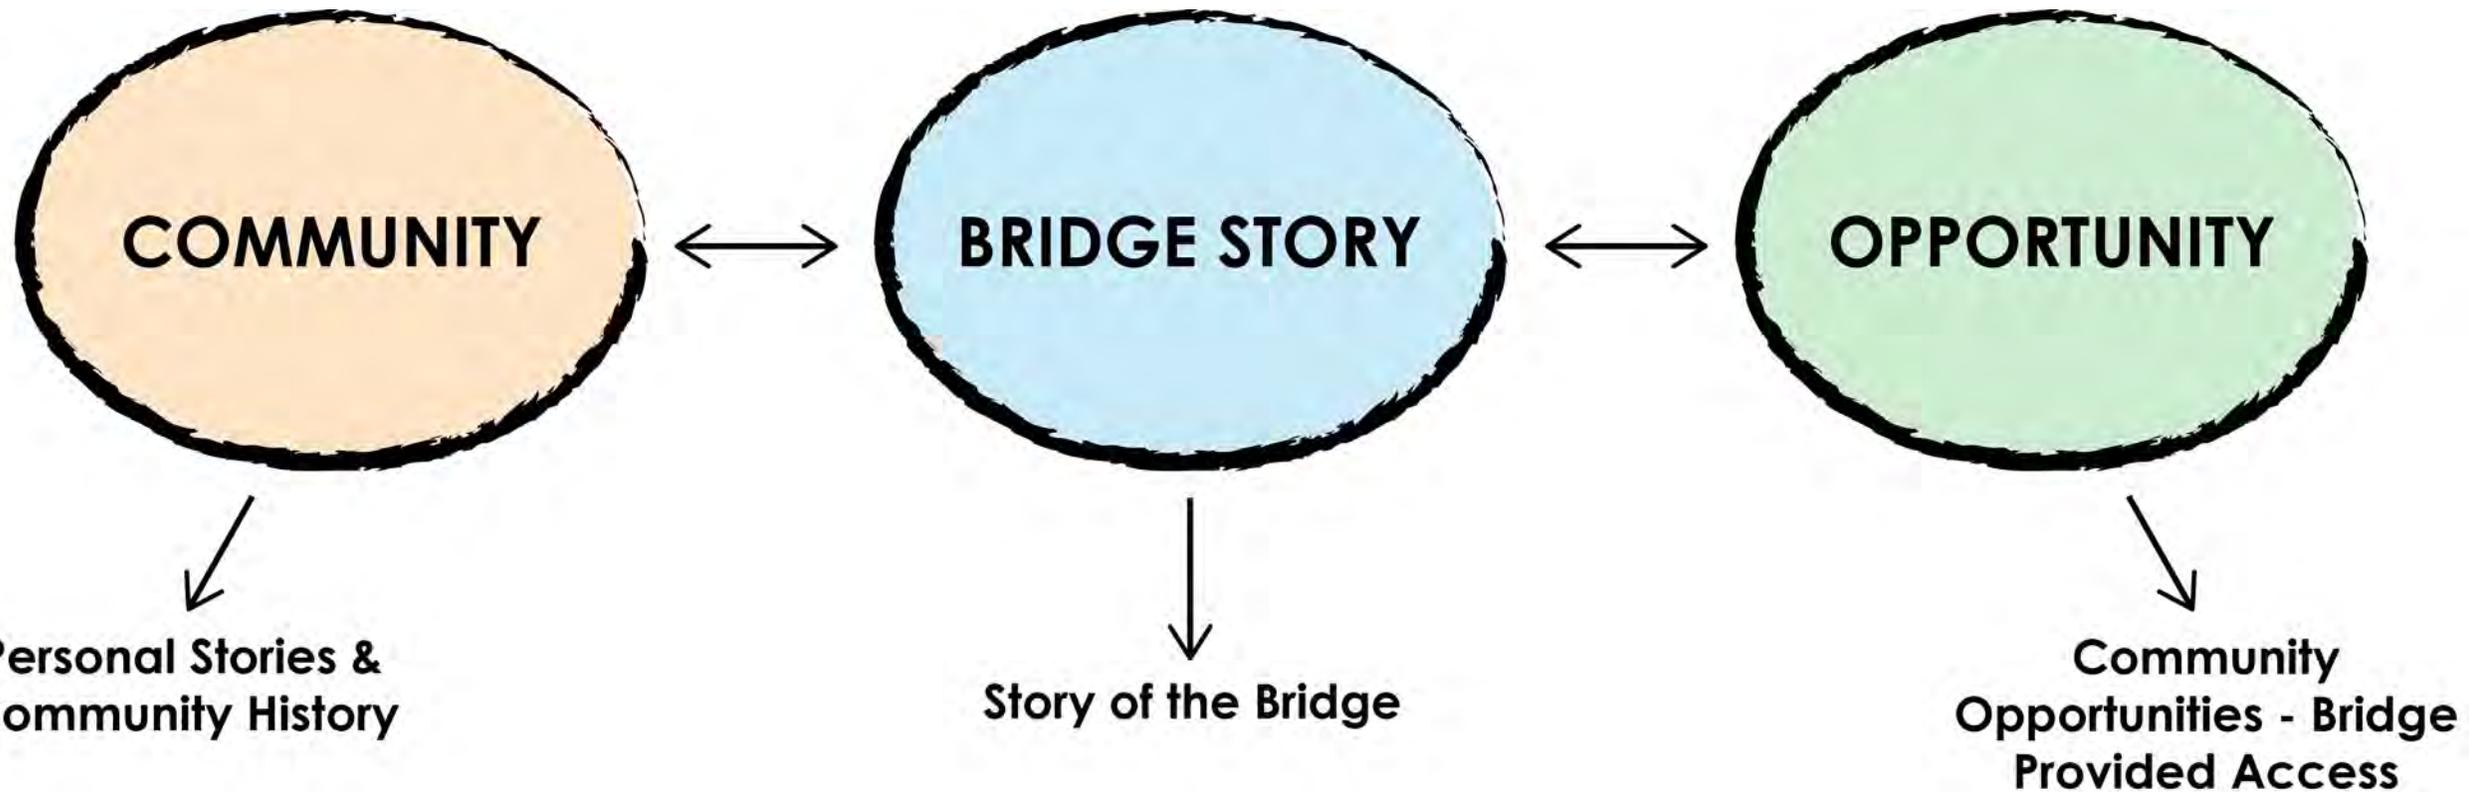

- Create a viewing area for fireworks
- The park should be inclusive to all ages
- Increase the size of the skate park
- Integrate the skate park into the other features
- Concern about kids safety in park
- Add shade to the skate park
- Edible gardens
- History/Culture of the area to be emphasized in the park through several methods

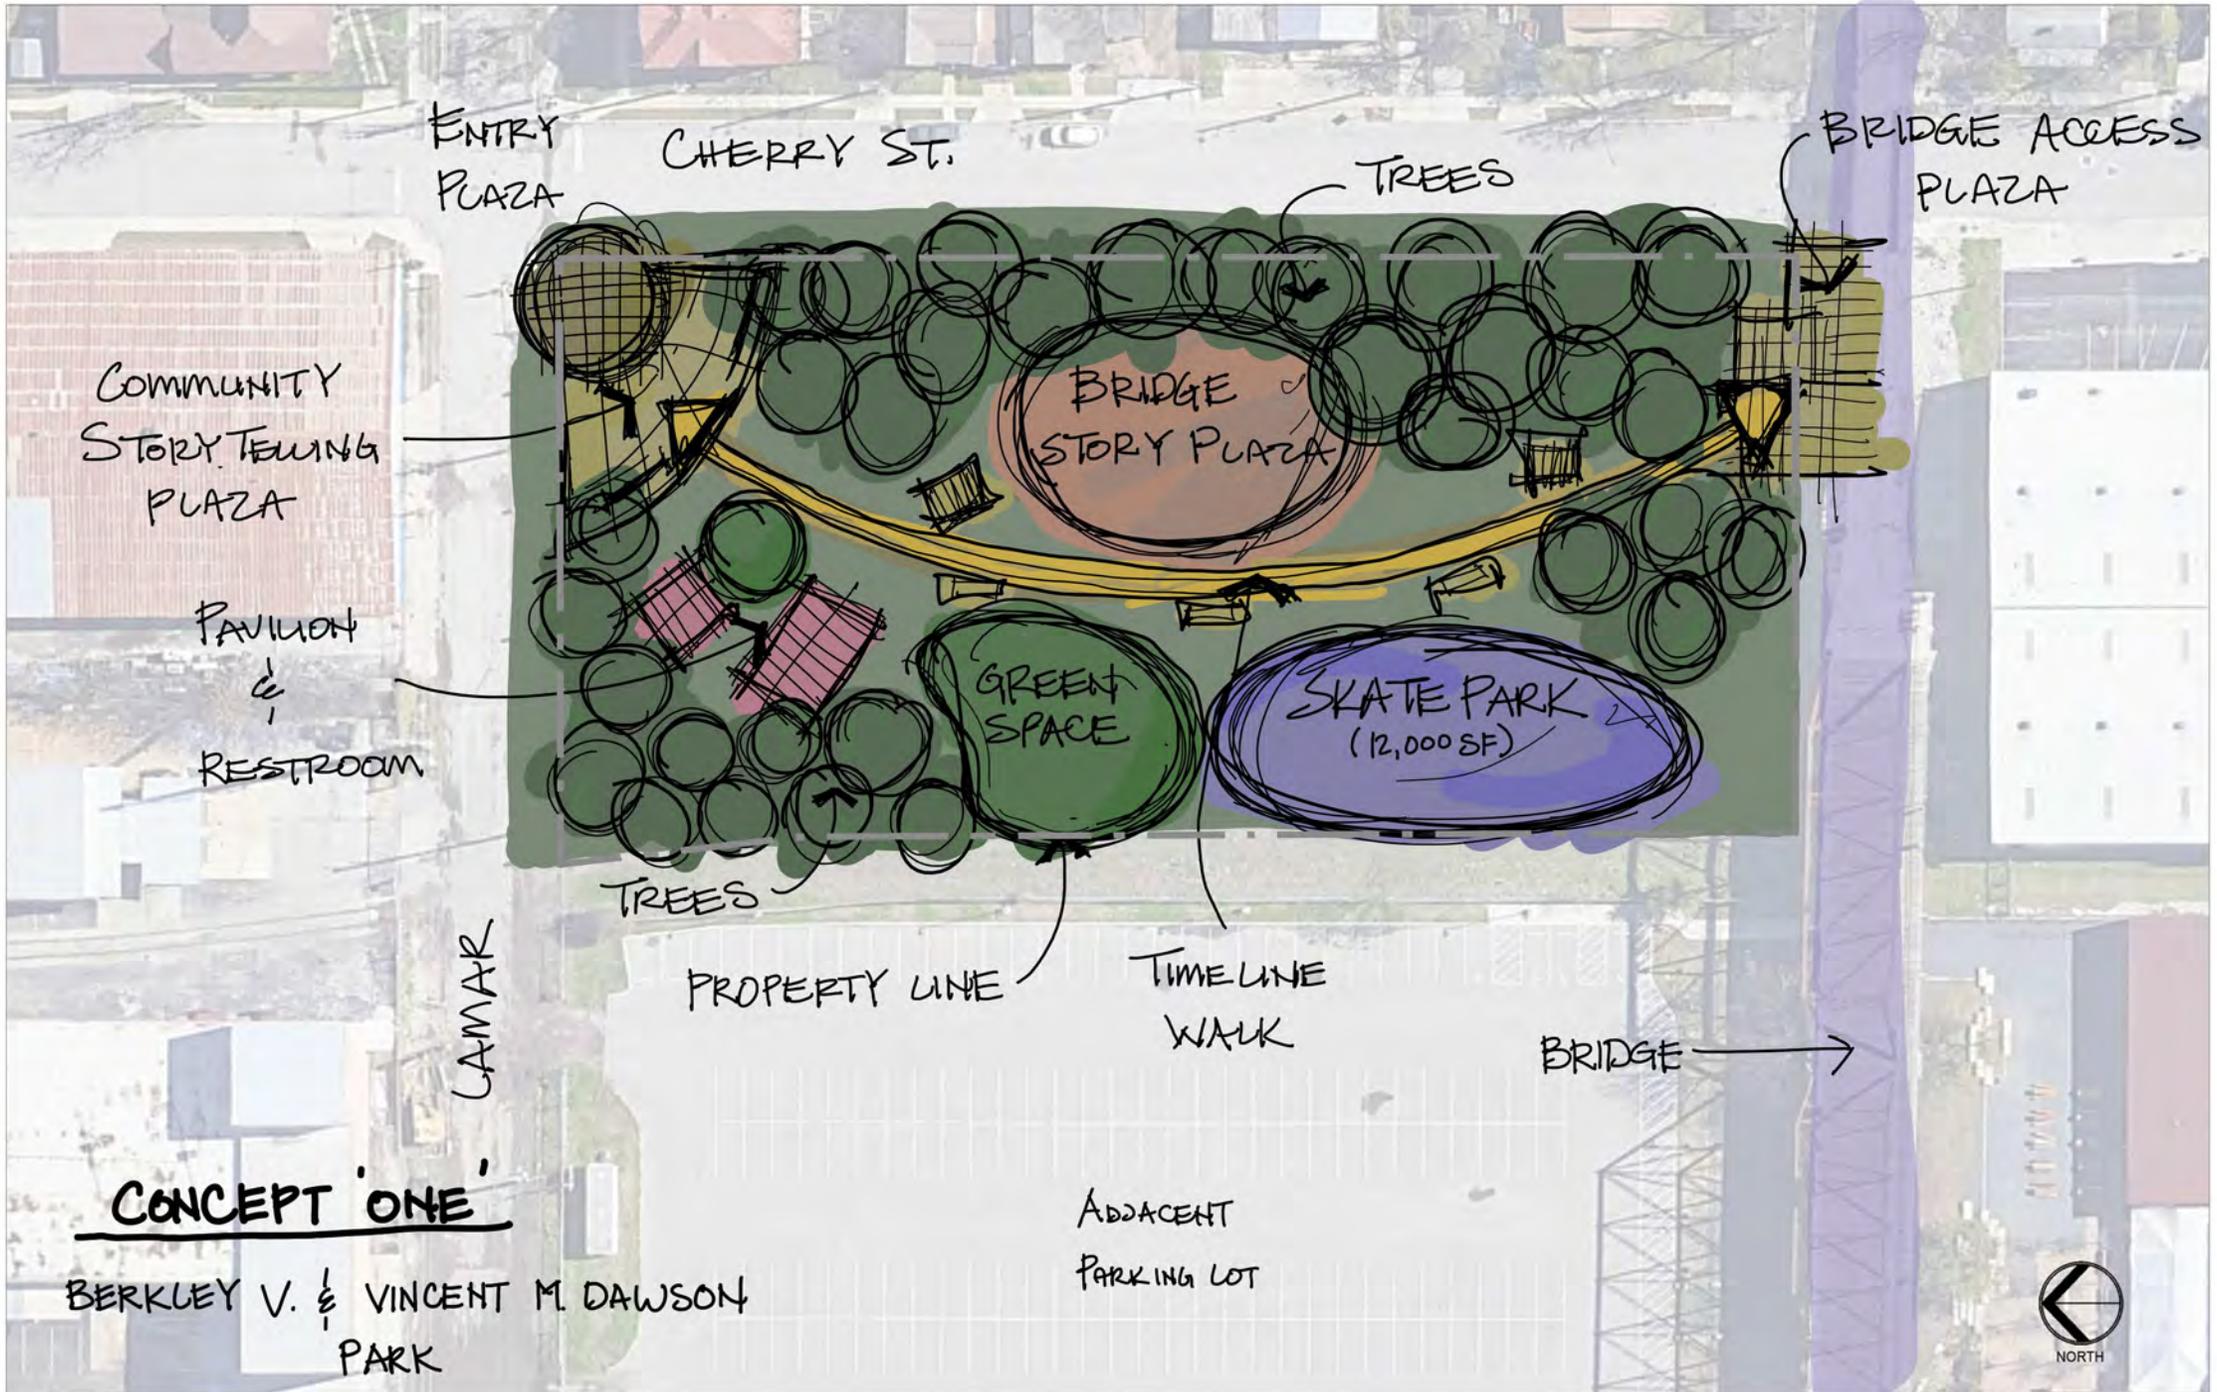

The park should be consciously designed to invite all kinds of people and be available for families and people of the area.

12,000 sf is small for a skate park
