Classroom Management 101

a proactive approach to
getting things done

Classroom management is the daily practice of getting things done safely and efficiently in a classroom. The practices used can be engaging, meaningful and easy.

Let's talk and learn more about:

- Pre-K - 3rd grade Brain Friendly Classroom Elements
- Purposeful Procedures and Routines
- Agreements and Rules
- Using Music to Facilitate Your Classroom
- Correcting the Top Ten Common Mistakes in Classroom Management

If you are new to teaching, have been moved to a new grade level or are a veteran teacher with a desire to refresh and affirm, this workshop may be for you.
