

SEE A **DUMP**, BE A **GRUMP** **REPORT IT**

Illegal dumping is improper disposal of waste at any location other than a landfill or special facility.

Why Is Illegal Dumping Bad?

It pollutes our waterways.

Illegally dumped trash can get swept into streets, storm drains and drainage ditches when it rains and enter our rivers and creeks.

It's against the law. Illegal dumping violates the San Antonio City Ordinance (Section 34-703, Placing brush cuttings, clippings and or/rubbish into the MS4; Section 14-47, Objectionable or unsightly matter and dumping declared nuisances). Don't get fined!

What Can I Do?

Report it.

If you find or witness illegal dumping going on, call the City of San Antonio's 3-1-1 Customer Service Hotline and submit a report.

Protect our waterways from trash and pollutants - report illegal dumping immediately!
