**WORLD HERITAGE OFFICE**

## **Fifth Annual World Heritage Open House (2020 Virtual Series)** **June 22-24, 2020** **Submitted Questions and Answers**

### **Monday, June 22 – COVID-19 Response Programs and Resources**

**Participants:** Metro Health, Human Services, Neighborhood & Housing Services, Economic Development

- **When will Senior Centers fully reopen?**

We know that our senior center participants are eager to return to regular programming and our Human Services team is equally looking forward to seeing participants as well. However, everyone's health and safety are our top priorities. We are working closely with City management and Metro Health to monitor COVID-19 indicators in the community to make a determination on reopening. Senior centers will return to modified operations in a later phase of reopening, and the date for that is not yet determined.

- **Will the presentations be available online?**

Yes, the presentations from all three sessions will be available at [www.sanantonio.gov/worldheritage](http://www.sanantonio.gov/worldheritage).
