

AIR POLLUTION CONTROL PROGRAM REGISTRATION REQUIREMENT

The City’s Air Pollution Control Program (Ordinance 2015-11-19-0967) requires a business facility located within the City that is a source of air pollution to register with the Health department. A registration fee of two hundred dollars per year is required for each facility. It shall be unlawful for any person to operate or cause to be operated any business facility unless there is current registration for the facility. A Health Inspector must be contacted to schedule an on-site inspection. The inspection can be scheduled in conjunction with a Certificate of Occupancy inspection by contacting: John Oates (210) 774-1057 or Kyle Cunningham (210) 207-4052.

What are the City ordinances governing air pollution?

Air pollution is covered in Chapter 26 “Pollution Control,” Article II, refer to the following link:

<https://www.sanantonio.gov/Portals/0/Files/health/HealthyEnvironment/Ordinance2015-11-19-0967AirPollution.pdf>

City Ordinance 2015-11-19-0967 (Sec. 26-16). Definitions:

Facility means a business location with one or more discrete or identifiable structure, device, item, equipment, or enclosure that constitutes or contains a stationary source, including appurtenances other than emission control equipment. A mine, quarry, well test, or road is not considered to be a facility.

Air contaminant means particulate matter, radioactive material, dust, fumes, gas, mist, smoke, vapor, odor, including any combination of those items, produced by processes other than natural.

Air pollution means the presence in the atmosphere of one or more air contaminants or combination of air contaminants in such concentration and of such duration that: (A) are or may tend to be injurious to or to adversely affect human health or welfare, animal life, vegetation, or property; or (B) interfere with the normal use or enjoyment of animal life, vegetation, or property.

Examples of facilities required to register include but are not limited to the following:

NOTE: Refer to the following link for Industry Specific Permits By Rule (PBR):
