## ACS Foster Care List - Cat

The animals on this list are all currently living with a foster parent. If you are interested in adopting one of these amazing pets please email [acsrescue-foster@sanantonio.gov](mailto:acsrescue-foster@sanantonio.gov) with the ANIMAL ID right away to set up a meet-and-greet. Even though these animals are in foster care, there may be some that are not yet available for adoption because they may be too young, receiving medical care, or undergoing a training program. Adopting an animal from foster care is a great way to add a new member to your family because you will often get a pet that is already housebroken, leash trained, crate trained, and may even know a few tricks as well. Most importantly, adopting from foster care will allow our fosters to come back to our shelter and find another pet to foster meaning that you will have helped to save more than one life.
