

Animal Care Services

Mom With Babies

This report is intended for currently approved rescue partners and fosters. For information on how to foster please visit our website at: <https://www.sanantonio.gov/Animal-Care/How-You-Can-Help/Fostering-Save-A-Life> This report contains the nursing mothers with puppies and kittens who are currently in need of rescue or foster placement only. At this time they are not available for adoption.
