Editor's note— Ord. No. 2013-05-09-0317, § 1(Att. A), adopted May 9, 2013, amended article VII in its entirety to read as herein set out. Formerly, article VII, divisions 1—9, pertained to campaign finance regulations and derived from Ord. No. 99538, § 1, adopted August 5, 2004; Ord. No. 100284, §§ 1—6, adopted January 13, 2005; Ord. No. 2006-03-02-0269, § 1(Exh. A), adopted March 2, 2006, and Ord. No. 2009-06-25-0553, § 1(Att. A), adopted June 25, 2009. Section 5 of Ord. No. 2013-05-09-0317, adopted May 9, 2013, states the following: "Section 5. The remainder of this Ordinance and the amendments of the Ethics Code and Municipal Campaign Finance Code shall be effective ten days after passage. The changes in the City Code's ethics and campaign finance provisions reflected in this ordinance apply only to events taking place on or after the effective date of this ordinance. Any events occurring before the effective date of this ordinance are governed by the City Code provisions in effect on that date of that event. The prior versions of the Code are continued in effect for that purpose. The Office of the City Clerk is directed to publish notice of these amendments as required by law."

DIVISION 1. GENERAL

Sec. 2-300. Statement of policy.

It is essential in a democratic system that the public has confidence in the integrity, independence, and impartiality of those who are elected to act on their behalf in government. There is a public perception that a relationship exists between substantial contributions and access to elected officials. To diminish the perceived or actual connection between contributions and influence, the City adopts this Campaign Finance Code to promote public confidence and, it is hoped, a greater degree of citizen participation in the electoral process.

(Ord. No. 2013-05-09-0317, § 1(Att. A), 5-9-13)

Sec. 2-301. Definitions.

- (a) Contribution cycles applicable to candidates and specific purpose political action committees (SPAC) formed for the purpose of supporting or opposing a candidate. The following constitute separate contribution cycles:
- (1) The pre-election contribution cycle begins on July 1 of the calendar year before the date of the general municipal election, and ends on the date of the general municipal election;
 - (2) The run-off election contribution cycle begins the day after the general municipal election, and ends on the date of the run-off election, for candidates involved in the run-off election;

- (3) The post-election contribution cycle begins on the day after the general municipal election or the day after the run-off election, as applicable, through June 30 of the calendar year before the next general municipal election; and
 - (4) The special election contribution cycle resulting from a City Council vacancy will begin on the day the City Council acknowledges the vacancy and ends on the date of the special election. The special run-off contribution cycle begins the day after the special election and ends on the date of the special run-off election.
- (b) Under Texas Election Code § 251.001, a "contribution" means a direct or indirect transfer of money, goods, or services, or any other thing of value and includes an agreement made or other obligation incurred, whether legally enforceable or not, to make a transfer. The term includes a loan or extension of credit, other than those expressly excluded by this subdivision, and a guarantee of a loan or extension of credit, including a loan described by this subdivision.

The term "contribution" does not include a loan made in the due course of business by a corporation that is legally engaged in the business of lending money and that has conducted the business continuously for more than one (1) year before the loan is made.

- (c) A loan is deemed to be made in the ordinary due course of business if it:
- (1) Bears the usual and customary interest rate of the lending institution for the category of loan involved;
 - (2) Is made on a basis that assures repayment;
 - (3) Is evidenced by a written instrument; and
 - (4) Is subject to a due date or amortization schedule.
- (d) Terms not defined in this chapter but defined in the Texas Election Code shall have the meanings assigned to them in the Texas Election Code. Terms not defined in this chapter or the Texas Election Code, but defined in the Ethics Code shall have the meanings assigned to them in the Ethics Code.

(Ord. No. 2013-05-09-0317, § 1(Att. A), 5-9-13; Ord. No. 2018-06-21-0491, § 1(Att. b), 6-21-18)

DIVISION 2. CONTRIBUTION LIMITS

Sec. 2-302. Limitation of political contributions to candidates or officeholders for Mayor or Council and specific-purpose political action committees.

- (a) A candidate for district office on the City Council or City Council officeholder may not accept more than five hundred dollars (\$500.00) in political contributions from any individual or single entity per contribution cycle.
- (b) A candidate for Mayor or Mayoral officeholder may not accept more than one thousand dollars (\$1,000.00) in political contributions from any individual or single entity per contribution cycle.

- (c) A specific-purpose political action committee (SPAC) registered with the City and formed for the purpose of supporting or opposing a candidate for district office on the City Council or City Council officeholder may not accept more than five hundred dollars (\$500.00) in political contributions from any individual or single entity per contribution cycle.
- (d) A specific-purpose political action committee (SPAC) registered with the City and formed for the purpose of supporting or opposing a candidate for Mayor or the Mayoral officeholder for the City may not accept more than one thousand dollars (\$1,000.00) in political contributions from any individual or single entity per contribution cycle.
- (e) Except as provided in section 2-304 of this chapter, the limits set out in subsections (a)—(d) of this section apply to contributions made in the form of loans, extensions of credit, and guarantees of loans or extensions of credit as described in subsection 2-301(b). Repayment of loans does reset the contribution limit.
- (f) Political action committees, commercial entities, or campaign vendors cannot provide in-kind contributions with a commercial value to candidates or officeholders beyond the limits established in this section. Individuals may donate their time as campaign volunteers without limit. "In-kind" contribution means goods or services provided to or by a person at no charge or for less than their fair market value.
- (g) An individual or entity cannot make a political contribution in cash exceeding fifty dollars (\$50.00) to a candidate for Mayor or City Council, or to a municipal officeholder, or to a specific-purpose political action committee formed for the purpose of supporting or opposing a municipal candidate or officeholder, nor can any of these candidates, officeholders or specific-purpose political action committees accept political contributions in cash exceeding fifty dollars (\$50.00), from a single donor during a reporting period as defined in Texas Election Code § 254.063. This restriction includes tickets to fund-raising events.
- (h) A person may not knowingly make or authorize a political contribution or expenditure in the name of or on behalf of another, unless the person discloses in writing to the recipient the name and address of the person actually making the contribution in order for the recipient to make the proper disclosure.
- (i) A minor may make a contribution only if done so knowingly and voluntarily with funds, goods or services owned or controlled exclusively by the minor and not with proceeds of a gift where the purpose was to provide funds to be contributed. The minor shall submit a form with the contribution acknowledging his or her minor status and that his or her contribution complies with this provision.
- (j) A "coordinated campaign expenditure" shall be considered a contribution subject to the limits set forth within this section and subject to the disclosure requirements for campaign contributions made to a candidate for elected City office. As used in this subsection, the term "coordinated campaign expenditure" means a payment, other than a direct contribution, for an activity, service or product that contains express advocacy for the election or defeat of a clearly identified candidate(s) for City office and is made in cooperation, consultation, or concert, with or at the request or

suggestion of, a candidate(s) for City office or a candidate's representative, agent or employee.

Coordinated campaign expenditures shall include, but not be limited to the following:

- (1) Voter identification and/or get-out-the-vote activity on behalf of a specific candidate(s) for City office;
- (2) A public communication that refers to a clearly identified candidate(s) for City office and that promotes or supports a candidate(s) for that office, or attacks or opposes a candidate(s) for that office, or is suggestive of no plausible meaning other than an exhortation to vote for or against a specific candidate(s).

The following is not considered a coordinated campaign expenditure:

- (1) Direct monetary contributions made to a candidate for City office;
- (2) In-kind contributions made to a candidate for City office;
- (3) Payment by an individual or organization for the individual's or organization's overhead expenses including but not limited to rent, utilities, taxes, office supplies or salaries;
- (4) Volunteer (unpaid) activity(ies) on the part of the individual or members of the organization.

Sec. 2-303. Time limitation to accept contributions.

- (a) A candidate for Mayor or City Council or specific-purpose political action committee registered with the City and formed for the purpose of supporting or opposing a candidate for Mayor or City Council shall not accept nor deposit campaign contributions after midnight on the fourth calendar day before the general, run-off, or special municipal election date.
- (b) Contributions received after the deadline set out in subsection (a) above or contributions not deposited by the deadline may be deposited during the subsequent contribution cycle. Such contributions will be subject to limitations for the contribution cycle during which they are deposited.

(Ord. No. 2013-05-09-0317, § 1(Att. A), 5-9-13; Ord. No. 2018-06-21-0491, § 1(Att. B), 6-21-18)

Editor's note— Ord. No. 2018-06-21-0491, § 1(Att. B), adopted June 21, 2018, amended § 2-303 and in so doing changed the title of said section from "Time limitation to accept donations" to "Time limitation to accept contributions," as set out herein.

 - (2) Reimburse campaign expenditures made from personal funds; or
 - (3) Repay a loan to the candidate or to any authorized committee of the candidate from any other person, persons, entity or entities.

The limit established by this section applies to the cumulative total from one (1) or all combined loans.

- (b) *Loan limit for candidates for Mayor*. A candidate for Mayor shall not use political contributions in an aggregate amount of more than fifty thousand dollars (\$50,000.00) during an election cycle to:
- (1) Repay a loan to his or her campaign account that the candidate has made from his or her personal assets;
 - (2) Reimburse campaign expenditures made from personal funds; or
 - (3) Repay a loan to the candidate or to any authorized committee of the candidate from any other person, persons, entity or entities.

The limit established by this section applies to the cumulative total from one (1) or all combined loans.

- (c) A candidate cannot accept a loan made in cash.

Sec. 2-305. Single account.

- (a) A candidate for Mayor or City Council or officeholder or specific-purpose political action committee registered with the City and formed for the purpose of supporting or opposing a candidate for Mayor or City Council must deposit each and every political contribution into one (1) and only one (1) specified bank account. This single account must be used for all political contributions and expenditures pertaining to municipal office.
- (b) Persons with established campaign accounts before the date this code goes into effect can transfer funds into the new single campaign account.

- (c) At the time a candidate files the appointment of campaign treasurer pursuant to Texas Election Code § 252.001, the candidate shall declare the municipal office sought. If a candidate subsequently decides to seek a different office, the candidate shall file an amended appointment of campaign treasurer declaring the new office sought.
- (d) If a candidate who has filed a campaign treasurer appointment decides to seek a different office that would require the appointment to be filed with another authority, a copy of the appointment certified by the authority with whom it was originally filed must be filed with the other authority in addition to the new campaign treasurer appointment, in accordance with the requirements of Texas Election Code § 252.010.
- (e) If, after declaring a candidacy for any elected office, the candidate subsequently declares his or her candidacy for any elected municipal office, he or she may maintain the same campaign finance account. However, if the candidate seeks a municipal office which is subject to lower campaign contribution limits than the previously sought office, the candidate shall return all contributions in excess of the limits for the municipal office sought.
 - (1) The transferor candidate's available funds shall be viewed as those contributions most recently received that add up to the amount of cash on hand.
 - (2) Contributions transferred must be aggregated with any contributions made by the same donor to the candidate/officeholder receiving the transfer. Amounts that would cause a contributor to exceed his or her pre-election cycle contribution limit must be excluded from the transfer.

(Ord. No. 2013-05-09-0317, § 1(Att. A), 5-9-13; Ord. No. 2018-06-21-0491, § 1(Att. B), 6-21-18)

The candidate may choose to direct the financial institution to send a copy of the statement directly to the City Clerk. A candidate/officeholder will continue to provide bank account statements to the City Clerk until their Campaign Treasurer Appointment (CTA) is terminated.
- (b) Knowingly failing to timely file the campaign account statement required by this section is a violation of this Municipal Campaign Finance Code.
- (c) If an individual inadvertently fails to timely file a statement, it is his or her responsibility to file the statement as soon as possible, though no later than ten (10) business days after notification of or discovery of the error. A statement properly filed under this subsection (c) does not constitute a violation of this Code.

No exemptions are required if the Clerk has provided notice to candidates and officeholders of technical difficulties.
- (b) In addition to the reports required by the Texas Election Code, candidates for Mayor or City Council or a specific-purpose political action committee registered with the City of San Antonio and formed for the purpose of supporting or opposing a candidate for Mayor or City Council shall electronically file additional quarterly campaign finance reports reflecting contributions and expenditures for the respective preceding three (3) months due no later than 5:00 pm on the date listed below:

 - (2) The candidate, officeholder, or committee does not, in a calendar year, accept political contributions that in the aggregate exceed twenty thousand dollars (\$20,000.00) or make political expenditures that in the aggregate exceed twenty thousand dollars (\$20,000.00).

- (d) The City will post the campaign finance reports through a designated Elections Website.
