

## ECONOMIC DEVELOPMENT BRIEFING TEAM

---

### Program Description:

The City of San Antonio, together with various public service utility companies, formed the San Antonio Site Development Briefing Team to provide an overview of the site development process. This team facilitates the process by serving as the direct, immediate line to key decision-makers that can troubleshoot and resolve problems encountered in the development and permitting process, such as issues related to local subdivision, uniform building, and the uniform fire codes.

### Program Eligibility Criteria:

Available to businesses locating within the City of San Antonio.

### Program's Benefits:

The team describes the development process, identifies applicable codes, regulations and clarifies code requirements. This courtesy briefing and conceptual plans review does not replace the Preliminary Plans Service process or the regular Subdivision and Construction processes.

The briefings are tailored to the scope of the development and may require the participation of the following entities:

- Development Services Department
- Public Works Department
- City Public Service Energy (electric/gas)
- Texas Commission on Environmental Quality
- San Antonio Water System (water)
- Police Department
- Health Department
- Other City Departments as necessary

The Briefing Team is located in the Development and Business Services Center at 1901 S. Alamo, San Antonio, Texas 78204.

### How to Apply:

For additional information, or businesses requesting Briefing Team services, please contact the Small Business Liaison at (210) 207-3903.
