NON-CONTRIBUTING STRUCTURES: Chapter 35, Article 4, Section 35-619

Requests for determination of whether an object, building, structure or sign are contributing or non-contributing to a historic landmark or historic district shall be made on an application obtained from the historic preservation officer through the office of historic preservation. The historic preservation officer shall review the application for completeness and shall make a determination whether the subject of the application is contributing or non-contributing within 30 days of deeming the application complete. The historic preservation officer may, at his or her discretion, present the form to the historic and design review commission for their recommendation.
