In setting the time for correction, the director shall consider the degree of danger to the public health or safety and the nature of the violation. If the violation involves equipment that is unsafe or functioning improperly, the director shall order the holder or violator to immediately cease use of the equipment.

Sec. 33-071. Permanent removal of vehicles and equipment.

Fines assessed shall be based on the relationship of the violation to the public safety, the number of violations committed by the person or company summoned, and any other considerations that may be relevant to the adjudication of the matter.
(d) Violators shall be issued a summons. The summons must provide information as to the time and place of an administrative adjudication hearing. The City Attorney's Office may participate at such hearings.

(e) Hearing officers shall be appointed by the city manager. Said officers may question witnesses and review documents presented by the parties before issuing an order. The order shall be in writing and shall state whether the person charged is liable for the violation, and the amount of any fines assessed against the person or company charged. The fines shall be assessed in accordance with subsection (c) of this section. The order shall be filed with the Municipal Court Clerk with a copy provided to the director. The failure of any person charged with a violation to appear at the hearing shall be an admission of liability for the charged violation.

(f) Fines, costs, or fees assessed by the hearing officer may be levied against the license/permit bond of the holder, if the person summoned or the holder for whom such person works, fails to pay such fines, costs, or fees within 30 days after the order is filed.

(g) The Municipal Court Clerk shall establish a written body of administrative procedures for these cases.

(h) A person determined by the hearing officer to be in violation may appeal the decision to Municipal Court by filing an appeal petition with the San Antonio Municipal Court Clerk not later than 30 days after the order is filed and by paying a $25 appeal filing fee. The appeal hearing must be scheduled to occur within ten days of the filing of the appeal petition. The appeal hearing before a municipal court judge shall be an administrative review for the purpose of confirming or overruling the order issued by the administrative hearing officer, based upon the evidence presented to the administrative hearing officer. The record of witness testimony may be preserved for appellate review by the use of an audio tape recording or a video tape recording.

(i) Neither a notice of intent to appeal nor the filing of an appeal petition shall stay the enforcement and collection of the judgment order unless the service of the notice of appeal is preceded by the posting of a cash bond in the same amount of the adjudged penalty. However, the bond may not in any case be for a sum less than $50.

Sec. 33-074. Impoundment of vehicles.

(a) The police department shall seize and impound any vehicle when probable cause exists to believe that such vehicle is being operated for ground transportation service without the required vehicle permit, in violation of this chapter. A vehicle seized in accordance with this subsection shall be removed to a designated secured facility. Probable cause shall mean the existence of a
reasonable ground to believe that facts exist to justify the impoundment of the vehicle.

(b) If a vehicle has been moved and placed in a secured facility without the consent of the owner, the owner is entitled to a hearing to determine whether or not probable cause existed for the removal and placement of the vehicle. A hearing under this subsection shall be before a municipal court judge.

(c) A person entitled to a hearing hereunder shall deliver a written request for the hearing to the San Antonio Municipal Court Clerk before the sixth day after the date the vehicle was placed in a secured facility. In computing time under this subsection Saturdays, Sundays, and legal holidays are excluded. (d) A written request under this section must contain the following information:

1. The name, address, and telephone number of the owner of the vehicle;

2. The date and the location from which the vehicle was removed;

3. The name, address, and telephone number of the police official who authorized the removal; and

The court shall notify the vehicle's owner and the police official who authorized the removal of the vehicle of the date, time, and place of the hearing. The sole issue in a hearing under this section is whether probable cause existed for the removal and placement of the vehicle. The court shall make written findings of fact and conclusions of law regarding the issues in the hearing.

(f) If the court determines that probable cause existed for the removal and placement of the vehicle, the owner of the vehicle shall pay the costs of removing and storing the vehicle. If the court determines that probable cause did not exist for the removal and placement of the vehicle, the city shall pay the costs of removing and storing the vehicle. If the vehicle's owner paid removal or storage costs before the hearing, the city shall fully reimburse the owner.

(g) The court may charge a filing fee of $10 for a hearing under this section and may award court costs to the prevailing party.
